The appearance of a whole sheet this week, was considered by a heavy rush of job work, therefore we are compelled to issue but half a sheet.

New Music.—We have received from Horace Waters, No. 481 Broadway, New York, the following pieces of Music, by Mrs. E. A. Parkhurst, who is one of our most popular composers.

DEMOCRATIC STATE CONVENTION POSTPONED.—At the formal meeting of the Democratic State Central Committee it was resolved that the State Convention should be called to meet at Harrisburg on Wednesday, the 21st day of June, inst., but having since learned from a majority of the Committee, and being advised by many other leading Democrats of the State, that a postponement to a later day would, on many accounts, be acceptable, and is generally desired, I hereby give notice that the next Democratic State Convention of Pennsylvania will convene at the Hall of the House of Representatives, in the city of Harrisburg, on Thursday, the 24th day of August next at one o'clock P. M.

C. L. WARD, Chairman, Harrisburg, June 1st 1865.

VALUABLE AND CONVENIENT.—"Brown's Bronchial Trochoc" are widely known as an admirable remedy for Bronchitis, Hoarseness, Coughs, and other troubles of the throat and lungs. They are of great value for the purposes for which they are designed, and it should be known that while they are usually and pleasantly efficacious, they contain no harmful ingredients, but may at all times be used with perfect safety.—Boston Recorder.

BALSAM OF WILLOCK.—The Arabs possess a wise practice in proceeding for divorce. When married people seek a separation the Calif orders them to live for some time with a discreet and austere man of the tribe; that the latter may examine their life and see on which side the blame lies. The elderly man makes a report at the expiration of the appointed time, and this report is the foundation on which the Calif builds his judgment of divorce. Experience has demonstrated that there is no better method of restoring peace in families. The husband and wife put thus upon their good behavior, resume the manners of courtesy. Each strives to be more amiable than the other, to convince the "elder of Israel" that it is not this one's fault if the honeymoon changed its quarter. Old love is awakened and the pair that went to the approved man's tent snoring like cat and dog, return home cooing like doves.
