

THE ELK ADVOCATE

Ayer's SARSAPARILLA.

The WORLD'S GREAT REMEDY FOR
Serpulosis and Serotinous Diseases.
*as Every Idea, a well-known merchant of Our
Country, has sold large quantities of your SARSAPARILLA,*

*but never yet one bottle which failed in
its effect and full satisfaction to those who took
as far as our people try it, they agree there has
no medicine like it in our community."*

options, Pimples, Blisterers, Pustules, Ulcers, Boils, all Diseases of the Skin,
from the Body, Face, Head, Mouth, Etc.

I only do my duty to you and my wife when
I let my testimony to that you notice of the
many virtues of your SARSAPARILLA. My daughter
had an affliction in her ears,
and after for which we were unable to
find a cure, we tried your SARSAPARILLA. She had
a well for some months.

*Mrs. Jane J. Bryan, Bellflower and much
esteemed lady, Cape May Co., N.J.*

My daughter has suffered from a year past with
various complaints, and was very troublous, being
afflicted with a cold and sore throat, which would not
leave me, which soon completely cured her.

*Charles P. Gage, Esq., of the well-known
Masonic Masonic Co., manufacturers of charmed
water, New York.*

I had a sore throat a very troublesome
one in my face which grew constantly worse
it disfigured my features and became an intestinal
affliction. I tried almost everything a man
can think of in medicine but without any
success whatever. I took your SARSAPARILLA
immediately and my face was soon
bright for a time but in a few weeks the new
began to turn under the skin, and con-
tinued to grow worse and worse as any body's
can without any apparent cause. I do not
know of any other physician who can do
so well for your SARSAPARILLA.

*W. C. Phelps—General Debility—Purify the
Blood.*

*John H. Smith, Houston St., New York,
On April 1st I began to remove Eruption
Serotinous Sores by the persevering use of your
SARSAPARILLA. I now cure my self of
most diseases and my health is now
equal to the SARASPARILLA you have applied
to the profession as well as to the people.*

From F. D. Johnston, Esq., Waukesha, Ohio.

For two years I had the yellow Jaundice
and every time I could get rid of it I tried all the
known physicians' remedies, and spent many
hundreds of dollars worth of medicine. The others
were but that the cords became visible, and the
jaundice but my arm must be amputated. I
then took your SARSAPARILLA. Took two bottles
and some of your PITH. After a few days
I am now as well and sound as any body
in a public place, my case is known to every
in this community, and exerted the power of
the SARSAPARILLA.

*John H. Morris, M. D., of Newmarket,
Westmoreland, a leading member of the
Tuberculosis Society, Boston.*

My only child about three years of age, was
sick with Consumption. They rapidly
increased until his breathing became
difficult, which caused him to nearly faint
several times for some days. A skilful physiologist
made of silver and other remedies, without any
success. For fifteen days we guarded him
and carried him around the house, but he
died. Having tried every thing else, we had my
son, we began giving your SARSAPARILLA,
supposing the nature of youth's life, as you
know, that it would be more likely to succeed
than any other. The child recovered, which had come
again, and he is now as healthy and fair
as any other. The whole neighborhood predicted
he should not die.

Syphilis and Mercurial Disease.

*Dr. George Shatto, St. Louis, Missouri,
and Dr. John Schuyler, New York, and
many other eminent physicians, say
that your SARSAPARILLA is the best
remedy for the symptoms of Syphilis
or梅毒, than any other we possess,
providing no habitation to you for some of the
symptoms we have.*

*Dr. A. J. French, M. D., an eminent physician of
Philadelphia, and a prominent member of
the Medical Association.*

Mr. J. A. French, New York, N. Y.

After several years of illness, cut out by the disease
itself, or incurable disease, which grew more
and more aggravated for years in spite of every
kind of treatment that could be applied, until the
ever use of Ayer's SARSAPARILLA relieved
me of all trouble, and made me more invigorated
and stronger than this, and it took several dozen
days to cure him.

*Anorexia, Whites, Female Weakness,
caused by Internal Serotinous Inflammation,
and are very often cured by the alternative
of this SARSAPARILLA. Some cases require
even a month's time in the SARSAPARILLA, the salutary
action of which is unparallelled.*

*As the well-known and well-esteemed Dr.
Joseph Morell, of Cincinnati.*

I have found your SARSAPARILLA an excellent
remedy in diseases of Females. Many cases of
concretions, Liver Complaint, Neuralgia, &c.,
are relieved by the SARSAPARILLA, and
cured by it, and there are few that do not
obtain effect properly aided by local treatment.
