

THE QUAKER CITY BUSINESS COLLEGE

The most complete and thoroughly appointed Business or Commercial College in the country.

The only one in the city possessing a Legislative Charter, and the only one in the United States authorized to confer Degrees of Merit. Diplomas awarded to graduates in the Commercial Course under its corporate seal by authority of law.

Conducted by gentlemen of liberal education, and extensive experience in business, and affording unequalled advantages for the thorough theoretical and practical education of young men for the various duties and employments of business life.

THEORY AND PRACTICE COMBINED by a system of

ACTUAL BUSINESS TRAINING original and eminently practical, giving the student in the shortest time a complete insight into the routine, details, customs and forms of business in general, as conducted in the best-regulated commercial and financial establishments.

Theoretical Bookkeeping opens a new plan, with an original exposition of the science of accounts, arranged and published by the proprietor of this Institution exclusively for his own use, saving one-half the ordinary labor of the student, and giving him a complete knowledge of the practice of the best accountants.

THE COMMERCIAL COURSE.

Bookkeeping, Commercial Arithmetic, Penmanship, Business Correspondence, Commercial Law, Lectures on Business Affairs, Commercial Customs, Forms, and Actual Business Practice.

SPECIAL BRANCHES

Algebra and Higher Mathematics, Phenograph, Ornamental Penmanship, the Art of Delecting Conversation, Music, Engineering, Surveying, Navigation and Telegraphy.

The arrangements for Telegraphy are for the advantage of anything of the kind ever offered to the public. A regular Telegraph Line is connected with the Institution, with twenty branch offices in various parts of the city, where public business is transacted, and in which the students of this Institution are permitted to practice. No regular office practice can be had in any other school of instruction in the country, without which no one can obtain a position as a practical operator. Young men are cautioned against the deceptive representations of those who, without any such facilities, pretend to teach Telegraphy.

PATRONAGE.

The Institution is now enjoying the largest patronage ever bestowed upon any commercial school in the State. Over five hundred students were in attendance the first year, and over seven hundred during the past year. The best class of students may invariably be found here, and all his excursions are first class.

LOCATION AND ACCOMMODATIONS.

The Institution is located in the most central part of the city, and its accommodations, for exact, elegance and convenience, are unsurpassed. All the rooms have been fitted up in the very best style with
