L. LUTHER, P. M.

As yet we have not seen that Base Ball Club formed in Ridgway. What is the matter? Is there not enterprise enough among the young men to have one? Who'll move?

INCENDIARISM.—On Saturday night of June 30th, the house of Alfred Pearl of Jay township, was destroyed by fire, supposed to be the work of an incendiary. Loss probably \$2000.

Neighbor Messenger has broke ground for his new house, to be built alongside of the old Fountain House. There is certainly no better site for building in Ridgway than the one selected by Mr. Messenger.

AN IMPROVEMENT.—Mr. Henry Thomas has his new building completed, and it gives quite an improved appearance to that end of town. If you want to get any thing in the Furniture line, you cannot do better than to call on him.

As will be seen in another column. DAN RICE has consented to the use of his name as a candidate for Congress. If Dan makes as good a Congressman, and pleases the people as well as he does with his show, we think there will be no trouble to elect him term after term.

The young mens' Democratic Clymer Club will meet in Messenger's Hall on Saturday evening next. A punctual attendance is required.
By order
JNO. G. HALL,
President.

NOTICE.—At a meeting of the Democratic County Committee held on the evening of the 4th of July 1866, it was ordered that the Democratic Primary meetings for election of Delegates to the County Convention, be held at the usual places of holding elections on Saturday the 11th day of August next, at 2 o'clock P. M. The County Convention will assemble at the Court House in Ridgway on Monday, 13th day of August next, at 4 o'clock P. M. By order of the Committee.

GEO. DICKINSON,
Chairman.

Complimentary.
The thanks of the Court and members of the Bar of Elk county are hereby tendered to the Commissioners of the county for the cleanly and improved manner in which they have fitted up the Court Room, thereby adding greatly to the comfort of the Court, the Bar, and those having business to transact in the Court, and it is ordered that a copy of these resolutions be made out by the Clerk and handed to the County Commissioners.

Independence Day.
It seems that this anniversary was celebrated at places in different manners according as the weather admitted.
In Philadelphia it was said to have been the warmest day there for years: In Harrisburg there was some rain in the forenoon, enough to put a damper on the exercises for the day; farther up the river there was more rain. The Lewisburghers had a fine celebration at Longtown, where were assembled all the resident soldiers of the late war. At home the constant rain prevented any outdoor exercises. At Centreville preparation had been made to celebrate the day in regular old Virginia style. Horse and footracing, jumping, catching a shaved hog, climbing a greased pole etc.: but our neighbors there, disliking the appearance of the weather, claimed the right of secession and expect to have their fourth on the 28th of this month. At Benecette provisions were made for a picnic in the grove, but the rain drove all into the large room over the store of Mr. D. B. Wislow, where was spent a pleasant afternoon.

THE LATEST NEWS.
We have advices from Europe to June 27th, which say that a great battle was fought on that day between the Austrians and Prussians, at Puelo, in Bohemia. The Austrians were victorious. This is the second battle in which the Austrians were victorious since the commencement of hostilities.
From Cuba we have news of a serious revolt against the Spanish government. Cuba, Chili, Peru, Bolivia and Ecuador have formed an alliance to free Cuba from the Spanish yoke. Hopes are also entertained of help from the United States.
The market price of gold in New York yesterday was \$1 48.

Gen. Davis of the Doylestown Democrat says: "The Johnson-Clymer Soldier's State Convention promises to be the largest and most enthusiastic ever held in the State, and its example will exercise a large influence throughout the country." We have no doubt of it.

On June 27th, Mrs. Jane Hunter of Fox township, aged 89 years, 6 months and 2 days.

CLYMER
AND THE
GRAND
CONSTITUTION.
DEMOCRATIC MASS CONVENTION
OF THE
EASTERN AND CENTRAL COUNTIES OF
PENNSYLVANIA.

A GRAND MASS CONVENTION of the friends of JOHNSON, CLYMER and the CONSTITUTION, will be held

DI READING,
On WEDNESDAY, the 18th day of July, 1866.

All who are in favor of the immediate restoration of the Union in its original purity.
All who believe that the Constitution of the United States is the Supreme Law of the Land.

All men everywhere who are opposed to committing the destinies of 30 MILLIONS OF WHITE MEN to 500,000 NEGRO VOTERS; all who are opposed to

NEGRO LEGISLATORS, NEGRO JUDGES AND NEGRO JURORS IN PENNSYLVANIA,

and especially those BRAVE MEN who periled Life and Limb to defend and uphold the Government of their Fathers, and not to create a new nation in which the NEGRO is to be our social and political equal, are invited to attend.

The Crisis of our Country's Destiny is upon us. The patriot Andrew Johnson tells you that the traitors Thaddeus Stevens and Charles Sumner, are trying to destroy our system of Government; the Government that Washington and Jefferson gave us, the best Government the world ever saw; and to establish in its place a Consolidated Despotism, controlled by New England fanaticism.

"CONSOLIDATION IS AS DANGEROUS AS SECESSION."—Andrew Johnson.
The most distinguished Democratic and Conservative Statesmen of the country will be present and address the Convention.

The President and the Union members of the Cabinet have been invited.
Excursion tickets will be issued on all the railroads.
By order of the Democratic State Central Committee.

WANTED. \$27 60 per day.
AGENTS wanted, ladies and gentlemen, in every County in the United States, to sell the Ink Powders of the American Ink Company. The powder sells for forty cents per package, and will make ink enough to fill fifty bottles of the size usually retailed at ten cents per bottle. A smart agent can sell a gross of it a day, and clear \$27 60. The ink can be made from the powder in three minutes in common boiling water. It is a perfect black ink, the best in the world. It flows easily, does not corrode the pen a particle, never gums up, is not injured by freezing, and its color will last forever. Every family in America will buy it, as a package will last a family for years, and ink can be made in small quantities as wanted. With each gross we send a thousand circulars with testimonials from clergymen, lawyers, teachers, merchants, commercial colleges, editors, &c., and the agent's name on the bills. Only one person will be made agent for a county. The first one sending \$30 for a gross of the powder will receive it by return express together with one thousand circulars and the right to sell in the county he or she designates. If others send for the same county, the money will be returned to them free of expense. To make sure, one had better designate several counties, either of which he or she will take. Send for trade list and circulars if you dare run the risk of waiting, or send the money for a gross. Letters addressed to the Mayor, Postmaster, cashiers of the banks, or the express agents of this city, will show that the business is honorable and squarely conducted. An Ink Powder will be sent by mail to any address, free of charge, on receipt of forty cents.

Address, writing your name, town, county and State distinctly.
