NOTICE.

Hereafter the Post Office will be 10 o'clock A. M. Mail Closed at 6 L. LUTHER, P. M.

The Commissioners of Elk county will meet at their office in Ridgway on Wednesday, November 21st, 1866. By order,

J. K. P. HALL, CLERK.

A Good IDEA .- We see that the Supervisors have commenced the good work of laying a plank walk along Maiu

MILLINERY .- Our lady readers will no doubt be pleased to learn that Mrs. in their work .- Ob an Advectiser. randall is ready to accommodate them the various articles used in the wearing apparel of the fair sex. Latest styles and patterns always on hand .-Give her a call.

RATHER PREMATURE -- Our conclusion about the New York election hav ing gene Democratic, in our last week's paper, was rather ir mature. However, it is over now, and the Democracy have sustained a glorious defeat, not only in New York but in every State, except Maryland and Delaware, in which elections were held on the 6th lastant. But " every dog has his day."

NEW Counterfeir .- A new and dangerous counterfeit of the fifty dollar legal tender notes, has appeared. It may be detected by the vignette of Gen. Hamilton, which, on inspection, was found to have been split from a two do'. lar Treasury note and neatly pasted on a counterfeit fifty. The engraving of the other portions of the note is cleverly Imitated, and can only be distinguished from the genuine by the closest inspec.

INEURANCE .- C. V. Gillis, of Ridg way, has been appointed agent for the Home Insurance Company of New Ha

ven, Connecticut. The Liome has a capital of a million with a large surplus, and the mouthly

receipts are over \$125,000.

Policies are written and delivered by the local agent, and the losses are equitably adjusted and promptly paid by traveling agents, who also examine and direct the work or the local agents. The rached. The Home issues policies for over three or five years on buildings and merchan. dise at as low rates as can be done by any rate company. Also issues perpetnal policies on dweilings, churches and public buildings.

Persons desiring insurance should prefer the Home, instead of insuring in neutral companies with a premium note.

RECIPE FOR CURING MEAT .- To one gallon of water, take 11 lbs of salt, 7 lb of sugar, 1 oz. saltpeter, 1 oz. of potash, In this ratio the pickle to be increased to any quantity desired. Let these be oiled together until all the dirt from e sugar rises to the top and is skimmed off. Then throw it into a tub to cool, and when cold, pour it over your beef or pork, to remain the usual time. say four or five weeks. The meat must he well covered with pickle, and should not be put down for at least two days after killing, during which time it should be slightly sprinkled with powdered saltpeter, which removes all the surface blood, etc., leaving the meat fresh and clean. Some omit boiling the pickle and find it to snawer well, though the operation of boiling purifies the pickle by throwing off the dirt always to he found in salt and sugar. If this resipe is properly tried, it will never be abandoned. There is none that surpass it, if any so good.

THE OLEAN BANK ROBBERY -Our own was startled on Friday morning Venn's Store: 2nd) by the discovery of a great bur. ary in the banking office of Messra. cas a double one, made by Lewis Lillie, Troy, of the largest size, weighing hany thousand pounds. The Burglars brained an entrance into the office by RXECUTIONS, SUMMONS, SUBPCE, rying open one of the windows with a sale at this office.

jimmy. In the lower left.hand corner OUR STARCH GLOSS, of the right hand outer door of the safe, which was two inches thick, a hole was drilled, through which powder was introduced. It was blown open, separat. ing the outside from the bolts and inside casing, rendering it a complete wreck. The lower hinges of both doors For any quantity under five quires, \$1.- were broken off They next attacked 50 per quire; on all amounts over that a the inside safe, which was two feet high the inside sale, which was two feet high, extending the width and depth of the inside of the main safe. This safe was one and a half inches thick, made with folding doors. They drilled another hole through the hand door in nearly the same point they had on the outside safe, blowing open both doors. This gave them sccess to the money and bonds, amounting to twenty-five thousand dollars which they carried off. The larger portion of this belanged to spec closed every evening at 8 o'clock.
