For Holiday Goods go to the Book Store in St. Mary's. You will find an excellent supply.

Hintensch & Co. have not yet disposed of all their stock. They have a large supply of neat, cheap and durable clothing.

GOOD TO BE THERE.—Where? why at the store of Weis Brothers in St. Mary's where they are about giving their good saway.

The Sociable met on Friday night last at the house of Mr. Henry Souther, and was well attended. The next meeting will be at the house of Mr. Ed. Souther. A good time may be expected. All are invited to be present.

The County Suptinents, in their convention at Harrisburg, recommended the adoption of a law fixing six months, instead of four, as the minimum term in the common schools of Pennsylvania; and also, that the school directors should be authorized to purchase school-books and apparatus at the expense of their respective districts.

MUSICAL.—We had the pleasure to hear and examine the Piano Forte which Mr. Ely has recently purchased of Mr. W. Sherer, of Corry, and admire its clear, sweet and brilliant sound, excellent action and beautiful finish. We congratulate Mr. Ely in possessing such an excellent and durable instrument, and would advise those wishing to buy a first-class instrument, to examine this piano, as we believe Mr. Sherer to be a trustworthy dealer. See his card in another column.

LOCAL BREVITIES:—Dancing.—Mrs. Clements proposes giving a Christmas ball on Christmas night. Parties who go cannot fail to enjoy themselves.—Mr. Schram, of Schram's Hotel, at Brookwayville, is also going to give the young folks an opportunity to trip the "light fantastic" on New Year's.

Brookville is to have a rare treat during the holidays, in the shape of a theatrical entertainment, gotten up by its citizens. The proceeds are to be devoted to charitable purposes. We wish them every success.—G. C. Wilson, of the Clarion Democrat, has retired from his connection with that paper. We hope he may find some employment better suited to his pocket and taste. R. B. Brown, the editor-in-chief, still continues, and promises to devote his entire attention to the paper.—They are a fast people up in Brookville. They have a gymnasium, a theatre, three ledges of good temples; two base ball clubs, and about thirty taverns and saloons where they retail lightning by the glassful. We think Brookville lives two years while any other town in the State lives one.—Brigham Young's forty-fifth wife died lately. The question now is, Is Brigham Young a widower?—The Episcopal Church of Clearfield has lately purchased a new organ. It is said to be a splendid instrument.—The sleighing in this section could not be better than it is. We suppose every body is expecting to enjoy themselves in some way during the holidays. Well, go in. They only come once a year.—L. will accept our thanks for the Christmas present sent us. Long may you wave.—Erie City is troubled with the 'sweeney' in its treasury. So says the Observer.

We wish our patrons a Merrie Christmas and a Happy New Year.—Thermometer on Friday morning last, stood twelve degrees below zero at this place.

THE SILVER SKIRT. MORE DURABLE, MORE ELASTIC, MORE GRACEFUL! And will keep its shape and retain its place better than any other Skirt. This new and beautiful style of Skirt (Patented March 7, 1865,) was awarded by the Great American Institute Fair, held in New York, October, 1865, a SILVER MEDAL, being the Highest Premium ever given for a Hoop Skirt. The Steel Springs are wound with fine plated wire—in place of a cotton covering—which will not wear off or become soiled, and the whole skirt may be washed without injury or fear of rusting, and will be as good as new.

The Combination Silver Skirt. This invention combines with the ordinary Skirt the advantages of our Silver Skirt. The bottom hoops are the same as those used in the Silver Skirt, the covering of which cannot wear off, while the upper ones are covered with cotton. No lady having once worn one of our Skirts, will be willing to wear any other, as the lower hoops of all other kinds are soon injured and soiled. The best materials are used in their construction, and, from their durability and neatness they are destined to become a Favorite Skirt. Manufactured solely by the Silver Skirt and Wire Manufacturing Company, 30 and 32, BARCLAY ST, NEW YORK. T. S. SPERRY, Sup't. Aug 9th-ly
