25. Don't forget that the Sociable meets at the house of W. C. Healy, Esq., on Friday evening next.

day we have had for some time.

non. We learn that a number of young men of fois place, have formed them. risy. Favors they look upon as cunfor donation to religious purposes.

TOUWNSIP ELECTIONS .- The annual next. Correspondents in the different townships should send us a list of offi. cers elected, so that we could publish reference.

nor The trial of Mrs. Miller, for the murder of her husband in Clearfield county has resulted in her conviction of the crime of murder in the first degree. The trial lasted for eight days, and cost the county a large amount of moneythe fees given to the physicians alone, decline to issue frice passes, except for amounting to \$900.

patrons to apologize for the small amount of reading matter in our paper this and last weeks. The annual settlement takes up a good bit of room, but we must not omit its publication until after by the President." February. We hope, then to make a much more interesting paper.

THE SNOW STORM .- For the ldst three or four weeks we have had an almost incessant snow storm. From all politician, who recognized him, and askparts of the country we hear reports of ed if he was not the chaplain of the col the same kind. Township roads and lege at such a time, naming the year.

end justifies the means. The charita. ble construction of their conduct is, that they have concluded that the erusade which has heretofore been waged against such amusements, is unjust, and that henceforth a more reasonable and less puritanical view and practice are to be held. If so, these measures mark an epoch

in our religious history; the beginning of a new and I hope a more successful JERRY. career.

SUSPICIOUS PEOPLE .--- Depend upon it, that people who suspect everybody are unworthy of anybody's confidence.-Accurate self-knowledge is at the bottom of their universal distrust. It is the consciousness of evil designs in fucir own hearts that causes them to doubt the existence of honest intentions in the hearts of others. Of course they are very unhappy, and we know of no remedy for their discomfort except selfimprovement. Let them root out of 100. Levis, the Harness maker, desires | themselves the treachery, the meanness, the greed, or whatever other vicious pose to 1.2ve its counterpart in the breasts of all mankind, and their opinions of their tollow men will at once charge for the better. But in the meantime avoid then. People who have no faith in their kind are very dangerous persons to deal with. Taking it for granted that everybody with whom they come in business contact is req. Yesterday was the pleasantest bent on overreaching them, their object is to spike the enemy sound by being the first to overreach. Candor is lost upon them. They consider it refined hypoc-

selves into a minstrel troupe, and pro- ningly devised lures, intended to lead pose, after they have had sufficient time them into a trap, and while receiving for practice, to give an entertainment them willingly, chuckle inwardly at the thought that they are old birds, and "cannot be caught by any such devices. These creatures think they understand human nature ! Poor wretches! of all elections for township officers takes place the thousand springs of human action on Tuesday, the 12th day of February they know but one, and that the worst - selfishness. Let them stop that spring in their own moral machinery, if they can. Let them do it for their own sakes, for they can never know how them, and thereby furnish a valuable much of good there is in the world un til they do.

> FREE PASSES .- The following is said to be an extract from the minutes of a meeting of the board of directors of the Pennsylvania railroad company, and

should put an end to the applications of members of the Logislature for passes. " Recolved, That this Company will

THE PLACE TO BUY IS AT A Column for the Young Folks. Will sends us the following answer to last week's Ostrandor, (No. 48), which is so nearly correct that we give it .--The answers as to to the time he commenced the work and the time he was employed are correct ; but he is slightly

in error in regard to the perpendicular height of the cistern. The correct so, lution of which is 107.025 inches, or 8 feet, 111 inches. Will came within a quarter of an inch of the true answer .--Following is Will's solution :

Mr. Editor : I believe the following to be a correct answer to Ostrandor's problem No. 48. He commenced at 3:20 P. M., was employed one hour and twenty minutes, and found the perpendicular height of the cistern to be 8 feet, WILL. 11 inches.

A. R. writes us as follows in regard to Will's solutions of Ostrandors Nos. S0 and S1, which we published in last week's paper. Here it is :

Mr. Editor: Will'sanswers to the nuestions of A B and C is near enough for common busines. The fractional part of the dollar being in decimals, neither of them gets a plump thousand. If Will obtained the answers without the aid of Algebra, he did (as the Dutchman said) "so petter as coot,' and I should like to know how it was done. If Will will give a Demonstration, I will return the compliment. A.R.

Ostrandor sends us another lot of ex. nmp,les. We give two of them below : Ostrandor Miscellaneous.

NO. 1. I agreed wich a tinker, whose name was Dolittle

To make for my wife a flat-bottomed kettle, Twelve inches exactly the depth of th' same, And twenty-five gallons of beer to contain, The number of inches across on the top Was twice that of the bottom when new at the shop. How many inches across must the bottom

then be, Likewise on the top, pray show unto me.

No. 2.

If a solid globe of glass, eight inches in diameter be blown into a hollow globe till the shell is but one-fifth of an inch in thickness, what will then he its diameter and how many gallons of wine will it hold ? OSTRANDOR.

Ber When is a lady not a lady? When she is a little sulky.

At what age do pigs end their existence? Saus-age.

If two hogsheads make a pipe, how many will make a segar ?

Why is Athens like a worn out shoe ? Because is once had a Solon.

Why is a Highlander's dress like a prison window? Because it is barred. How can you get cowslips in the winter season? Drive your cattle on the ice.

Why is it easy to break into an old man's house ? Because his gait is bro-

COMMUNICATED.

To the Editor of the Ells Advocate ; -Last week the Episcopal brethren raised the wind by entertaining us with Theatricals learnedly called Tableaux Vivants, interspersed with performances by Mr. Brown, Professor of Banjo playing and Jig cancing. The Method's's de termined not to be outstripped by the new lights, invite us this week to participate in a Masquerade and Donation Party at the Hyde House, for the benefit of Rev. Wm. Bowyer, at which daneing is to be winked at, if not directly encouraged.

Such semi-religious performances are a new thing in Ridgway. The like is not remembered by the oldes' inhabitant. We have had theatricals, waxworks, and negro melodists exhibited in the Courthonse at twenty-five cents a head, frequently; we have had many a daneing party at the Hyde House, but never before were any of these, held under the auspices of the Church. On the contrary they were generally denounced as sinful.

If such amusements were wrong then they are wrong yet, no matter to what object the proceeds are devoted. I can not believe that our friends would for the sake of filtby lucre, "whip the devil ville. Every attention paid to the convenaround the stump" by affirming that the | ience of guesta.
