DIME SOCIETY.—The Dime Society meets to-morrow evening at the house of Mr. D. S. Luther.

A NEW PAPER.—We learn that a paper in the mining and railroad interests is to be started in St. Mary's during the coming summer. Success attend it.

EXHIBITION.—We learn that the teachers in charge of the Ridgway Schools propose having an exhibition at the close of the present term.

LOST.—On Friday evening last—a small Gold Locket. The finder will be suitably rewarded by leaving it at this office. ap-25 lt.

COURT.—The April term of Court commences here on Monday next. As there is no jury, the time will be occupied in hearing petitions, &c.

GODEY'S LADY'S BOOK.—This excellent monthly publication for May is on our table. It has its usual variety of excellent reading matter, fashions, &c.

MUSICAL.—We learn that an effort is being made to get up a class to take lessons in music in Ridgway, and are informed that if ten pupils are procured, a teacher will come.

WINTRY.—No doubt even the denizens of our mountainous, almost Greenlandish county, were surprised to find from three to four inches of snow on the ground yesterday morning.

MAD DOG.—Joseph George, of Fox township, about a week ago, was horribly bitten by a dog, supposed to be mad, owned by John Myers. The dog was soon captured and killed.

"SWEET LAGER."—Our friend Windfelder, of the St. Mary's Brewery, "shoots off his mouth" quite lively in this week's paper. Go and see him, and you will exclaim, as did the Queen of Sheba on viewing Solomon's Temple—"The half has not been told."

DENTISTRY.—By reference to our advertising columns it will be noticed that we are to have two dentists visit our village during the coming month. Persons having any "old snags" will make a note of this, as they will then have a splendid opportunity to have them extracted.

LUCKY.—Our lumbermen have been unusually lucky this season in getting their lumber into the larger streams. This, we suppose, is mainly owing to the fact of having plenty of water. We hope they may be equally lucky in obtaining remunerative prices.

A CATHOLIC CHURCH.—A movement, we learn is on foot among the Catholic citizens of this place to build a Catholic Church. We are pleased to note this evidence of energy on their part, and hope their efforts may be crowned with the success which their enterprise justly deserves.

RESIGNED.—We regret to learn that our able and efficient board of Commissioners is about to lose one of its most able members in the resignation of W. A. Bly, Esq., who we understand is about moving West. We are sorry to lose Mr. Bly from our midst, for, beside being a faithful and trusty officer, he was one of our most worthy citizens. May success attend him in whatever he undertakes.

KERSEY TEMPERANCE SOCIETY.—This society was organized a couple of weeks since, and has already assumed a respectable standing, a large number of persons having enrolled their names as members. It has in contemplation the immediate erection of a large hall for its use. The officers elect for the first quarter, are, E. K. Gresh, President; L. U. Zimmerman, Vice President; A. K. Gresh, Secretary, and W. S. Hamblen, Treasurer.

The question for discussion by this society next Saturday evening is

RESOLVED, That all persons twenty-one years of age having resided in the United States five years, and declared their intention to become citizens thereof, should be allowed the right of suffrage, unless said persons are insane or convicted of high crime.

Affirmative.—W. S. Hamblen, W. W. Shaw, Negative.—Charles W. Mitcheil, W. A. Bly.

We have for sale at this office a scholarship in Bryant & Stratton's International Chain of Commercial Colleges. For Sale Cheap. Ap.18-tf.

We call the attention of our readers to the Advertisement of DEMOREST'S MONTHLY MAGAZINE. We believe it to be all that is claimed for it. In point of size it is one of the largest magazines published. In the variety of its matter it is excelled by none, as a fashion and pattern monthly it stands at the head. Every family ought to have it. The subscription price is \$3. We will furnish DEMOREST'S MONTHLY MAGAZINE and the ELK ADVOCATE for \$3.50 in advance. To those who have already paid their subscriptions to the Advocate we will send DEMOREST'S MONTHLY for \$2. We are enabled to do this under a special arrangement with the publisher.

If the earth were a cannon ball shot at the sun from its present distance, with the velocity it now travels with, and the moment of explosion telegraphed the sun, they would get the telegram there in about five minutes and would see the earth coming in eight minutes and would have nearly two months to prepare for the blow, which they would receive about fifteen years before they heard the original explosion.
