The Combination Silver Skirt

This invention combines with the ordina ry Skirt the advantages or our Silver Skirt the bottom hoops are the same as those us-ed in the Silver Skirt, the covering of which cannot wear off, while the upper ones are covered with cotton. No lady having once worn one of our Skirts, will be willing to wear any other, as the lower hoops of all other kinds are soon injured and soileed.

The best muteeials are used in their con-

struction, and, from their durability and neatness they are destined to become a Favorite Skirt.
