NOTICE:
 Hereafter the Post Office will be closed every evening at 8 o'clock. On Sunday it will be kept open from 8 to 10 o'clock A. M. Mail Closed at 6 P. M. L. LUTHER, P. M.

Owing to the sickness of our only hand, the ADVOCATE may not appear as more than a half sheet next week, and our patrons must not find fault if such should be the case.

TEMPERANCE MEETING.—There will be a public temperance meeting held in the Court House on WEDNESDAY EVENING next. Speakers from abroad will be in attendance. Everybody is invited to attend.

BASE BALL.—The match game of Base Ball which we announced last week, came off on Saturday last, and resulted in the defeat of the Catamounts. Considering the state of the weather, (it having rained most of the day until 2 1/2 P. M.) we think neither party need be ashamed of their score. The play of the Alpines was excellent, and we also think that of the Catamounts was; but the first named club appeared to understand each other better than the second named, and we think it was from that fact, more than from superior playing that their score runs so far in advance.

Last week we stated that the Alpines had challenged the Catamounts. This was not the case, and we cheerfully make the correction. The challenge came from the Catamounts—not from the club—but from one of its members.

The return game will be played at St. Mary's to-morrow. Below we give the score of the game last week:

Two of Brownlow's militia officers—Capt. Rickman and Lieut. Holte have been arrested for permitting the militia under them to murder a citizen named James Brown, in cold blood. Old Brownlow has been compelled, by the outrageous and inhuman conduct of his militia, to issue an order "severely reprehending the disorder on the part of the State troops, and directing them to act only in support of the civil authorities." This, however, is only a "blind" to conceal the infamous uses to which the militia are put, and to shift responsibility from himself.—*Ex.*

The Wolf and the Lamb.
 General Pope is evidently laboring under a hallucination about the "Mobile riot" so-called. We very much wish that he would visit this Mobile part of the vice-royalty and see for himself how mistaken he is about the temper of the population. Before God, we are in the situation of the lamb who drank water from the current below the wolf, and yet was accused by the wolf, as an excuse for a quarrel, of muddying the stream. If he will come here and inspect the old court house ruined wall, in front of which Kelley spoke, and which the liar who telegraphs to the New York Herald says was attacked, and can find a single spot mark on all its expansive front, we will agree that the Radicals are patriots and Christians, and the S. S. bill is a "foulity" and a monument of wisdom, statesmanship and justice. And again, if he can show, from all the carefully sifted evidence, that one white man in that crowd fired a gun or pistol, or was even armed, or that one negro was hurt so far as the abrasion of his skin, we will give it up that this people have not been disgraced, fully and damably slandered and belied by the reports that have gone forth and been gobbled up in regard to their conduct on that occasion. We saw with our own eyes, brave young fellows who had looked death and battle in the eye fifty times, under Lee, and Johnston, and Bragg, retreating from that scene of confusion from considerations of sheer prudence, and in order that Radical liars might have no occasion to misrepresent and slander their people to their political prejudice. And this is the reward of their good sense and moderation! God will not allow justice to be always outraged.—*Mobile Register.*

The Navy Department has let a contract for the building of a new chapel at the Naval Academy, Annapolis, and has invited proposals for new buildings for midshipmen's quarters.

A prominent stock operator in Philadelphia failed on Tuesday for a large amount.

It is stated that A. H. Stevens is much more feeble than usual. A letter from him says: "I am very unwell, hardly able to be up."

The attention of School Directors is called to the following:
 It shall be the duty of the board of directors, in each school district, to publish an annual statement of the amount of received and expended, and the amount due from collectors, and setting forth all the financial operations of the district, in not less than ten written or printed handbills, to be put up in the most public places in the district.
