Wayne Hall, Erie Pa., was total ly destroyed by fire on the first instant. Loss about \$50,000.

THE TWENTY-SECOND .- " Birthing. ton's Washday" will be observed in this place by two balls-one at the Thayor House, and one at the Hyde House. Go in, gentlemen, opposition is the lite of trade.

SERIOUS ACCIDENT .- Peter Hollobaugh, of Fox township, last Monday morning had his leg crushed between the ends of two saw-logs that were running down a log slide at a rapid rate. Dr. Shaw is exerting every influence to save the limb from amputation.

VALENTINES .- Last week when we spoke of Belnap's stock of Valentines, we did not imagine that it was near so large, or so varied. He has really a splendid stock, and those wanting anything in that line would do well to give him a call.

Nor Postponen .- David (he of the cane), informs us that it is untrue that he has postponed his ball. On the con. trary, he is making every preparation to cotertain his guests in right good style, and will be happy to see them on the evening of the 21st.

FIRE -- On last Saturday morning ths harness shop of William McCauley, of Centreville, took fire, and the flames were not extinguished until the roof of the building was destroyed, and after the goods and Postoffice fixtures had been removed. Had this building burned to the ground, the whole block of four houses could not have escaped.

FROZEN TO DEATH .- On Thursday morning last, [Feb 6,] the body of Mrs. John McCloskey, of Fox township, was found dead in the road. It appears she left Contreville the evening previous, and reached within a mile of home when she became unable to proceed farther, and froze to death during the

MATTERS AND THINGS .- Matters and things around town have been dreadful scarce for the past week. Items are scarcer than ben teeth, and harder to gather. Can't some fellow who is of no use in the world, and wants to leave it, commit suicide amid surroundings of unparalleled atrocity, or do something that will enable us to get a huge sensa. tion item.

FURNITURE .- Mr. H. H. Thomas, of the Excelsior Furniture Store, tells us that he will defy any establishment between Corry and Williamsport to compete with his stock, either as to quality, price or extent. We have been to see his establishment since he has recruited. and must say, without disparagement to others, that his styles are recherche, and are durable, and will be sold very cheap.

We learn that the name of ilenry Souther, Esq., of this place, will be presented to the next Republican Congressional Nominating Convention as a candidate for Congressional honors. Won. der if there will be any 'wool gathering' as it was two years ago? Title South. er's letter to Erie Dispatch, denouncing Scofield. So mote it be.

Der Quite a party of Saint Marians paid our town a visit on Tuesday evening last, and stopped at the Hyde House, where they were duly provided with an excellent supper by the Colonel and his lady. Dancing was the chief order of business, however, and was kept up till an early hour on Wednesday morning, when the party started for home, well pleased with the festive occasion.

Whene'er I take my walks abroad how many poor, miserable Dyspeptic people I see, who would be healthy, and happy, if they took Plantation Bitters, that paragon of preparations for giving tone for the stomuch, energy to the torpid liver, a joy to the nervous system, and strength to the muscels. It is an admirable regenerator of nature's wasted or neglected functional powers in either man or woman. It gently excites and pleasantly soothes. With a bottle thereof, every man may be his own physician,

MAGNOLIA WATER .- A delightful toilet article-superior to cologue and at half the price.

A Card.

The Lord willing, Grace Church, Ridgway, will be ready for occupation on Sunday, February 16th. Divine Service may be expected therein, on that day, at 101 A. M., and 7 P. M. To those, and to all which may therenfter be held in that place, every one is heartily and earnestly invited. Come, not as strangers, but as brethren, to our Father's house. Let us come "into His gates with thanksgiving, and into His courts with praise," and He will assur. E. C. BUTLER, edly bless us.

Minister in charge. LEAP YEAR .- It is said that during leap year more bachelors commit matris mony than in the other three, and for this several reasons are assigned. We notice that since the first of January the marriage lists of our exchanges have largely increased. May all our bachelor
