COLDEST DAY.—Last Saturday, we believe was the coldest day this year. The Mercury fell to 23 degrees below Zero, at 5 o'clock A. M.

A VALUABLE COIN.—We were a few days since shown a farthing made in 1776—the birthyear of American Independence. The coin is the property of Mr. John Mallahan.

The next Sociable will meet at the house of Hon. George Dickinson on Thursday evening next. The usual invitation is extended.

An alarm of fire was created on Wednesday evening last in this village through W. C. Healy's smoke house taking fire. The flames were soon smothered, and but little damage was sustained.

Dr. Hall says that for the period of a month before marriage and a month after death men regard their wives as angels. Dr. Hall must be a bachelor.

Two women in Chicago got into a fight because one of them called the other a "pedestrian." The indignant woman declared that she had always been respectable.

NOT POSTPONED.—David (he of the case), informs us that it is untrue that he has postponed his bail. On the contrary, he is making every preparation to entertain his guests in right good style, and will be happy to see them on the evening of the 21st.

SERIOUS ACCIDENT.—On Friday evening last, whilst assisting in raising saw logs down a slide near Caladonia, Richard Bard, of Ceresville, Pa., had his foot and leg mangled in a horrid manner, rendering amputation inevitable, which was performed next morning by Dr. Shaw, of Centerville.

DEMOREST'S MONTHLY.—Mr. Demorest has won the hearts of the ladies this year, by giving them all sorts of silverware, silk dresses, and other valuable things, for premiums. We have seen some of these "indulgences," and find them really beautiful and valuable, like the Magazine itself. One lady has supplied herself with a sewing machine, a parlor organ, and a set of silver spoons and forks, in less than three years. We don't wonder that it is easy to get subscribers to "Demorest." The lead is worth the money without any premium. Publication office, 175 Broadway, N. Y. Send for circular.

When'er I take my walks abroad how many poor, miserable Dyspeptic people I see, who would be healthy, and happy, if they took Plummer's Bitters, that paragon of preparations for giving tone to the stomach, energy to the torpid liver, a joy to the nervous system, and strength to the muscles. It is an admirable regulator of nature's wasted or neglected functional powers, in either man or woman. It gently excites and pleasantly soothes. With a bottle thereof, every man may be his own physician.

MAGNOLIA WATER.—A delightful toilet article—superior to cologne and at half the price.

ELECTION.—At the election held in this place on Tuesday last, the following officers were chosen for the ensuing year: Justice, Charles Mead; Constable, Patrick Malone; Judge of Election, Edward Darby; Inspector, Jerome Powell, H. F. Overholzer; Supervisors, D. S. Luther, Ira Willis; School Directors, G. D. Messenger, H. A. Parsons, for three years; John G. Hall, two years; N. Gardner, one year; Treasurer, J. K. Whitmore; Auditor, B. V. Kline; Clerk, G. L. McClracken; Assessor, Charles Mead.

We printed the tickets for the above election, on the application of some of the candidates, who said they would assess all the elected candidates with fifty cents, since which we believe but one of them has paid us. Come, gentlemen pay the printer.
