## Jim's Journal

**by Jim**

<p>Today when I got to the copy store, Hal was talking to some police officers.</p>	<p>I went in back to punch in and found out from Julie that the copy store got robbed the night before.</p>	<p>"They stole some paper and messed up Hal's office," she said.</p>	<p>I looked at Hal and he was answering "no" and "not really" to a bunch of the officers' questions.</p>
<p>Today at the copy store, Hal was telling us what he thought of the copy store robbery.</p>	<p>"The police said it might've been a disgruntled former employee," he said, "but I doubt that."</p>	<p>Then Dan said, "They obviously tore up your office looking for money."</p>	<p>Then Joel looked at Dan and said, "Duh."</p>
