"Uh-oh! I think I owe the whole world an apology."

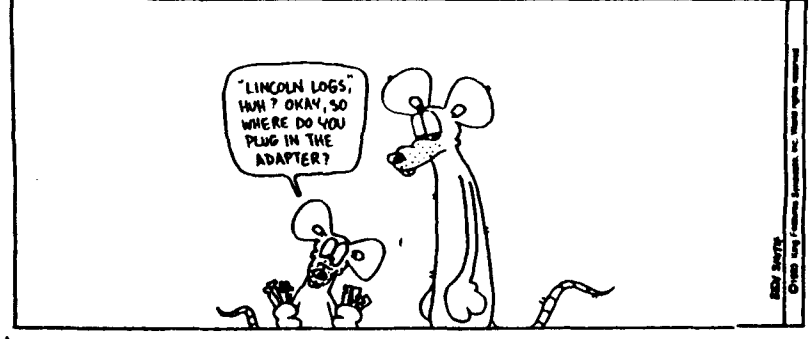

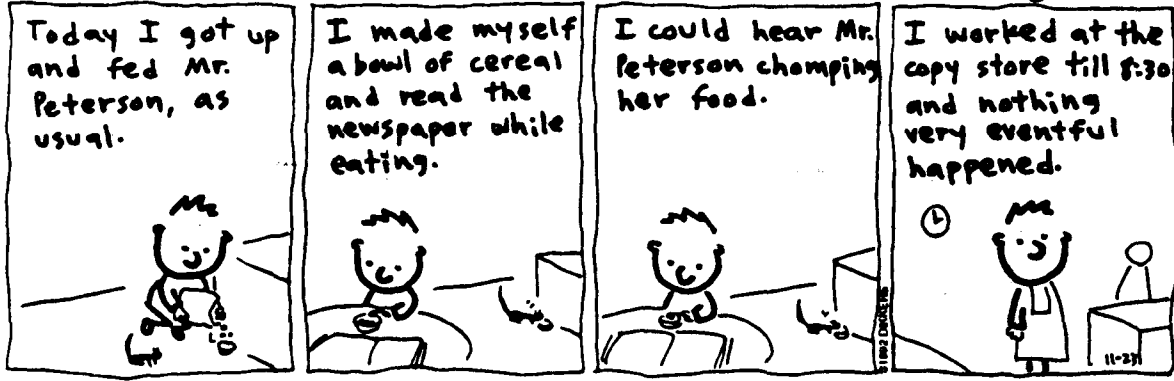

"Ride? What's there to ride? The only thing in his room that moves is... the ceiling fan!"

A.A.P. certified Astrologer

Aries: (Mar. 21-Apr. 19) A day at the office turns into a nightmare when someone misplaces the staple remover.

Taurus: (Apr. 20-May 20) That special someone will melt like butter when you arrive with a new box of staples.

Gemini: (May 21-June 21) You'll be rushed to the hospital after you cut yourself while removing the staples from a magazine.

Cancer: (June 22-July 22) Be prepared to receive a promotion when the boss notices how well you staple together important documents.

Leo: (July 23-Aug. 22) A staple gun makes posting bills on bulletin boards and kiosks a breeze. Always have one handy.

Virgo: (Aug. 23-Sept. 22) By hurling a loaded stapler at a purse snatcher, you will stop a heinous crime and become a local hero.

Libra: (Sept. 23-Oct. 23) Your sex life comes alive when both you and your partner bring staplers into the bedroom.

Scorpio: (Oct. 24-Nov. 21) You are a prime candidate for adulation and attention this week when you give everybody you know a new Swingline stapler.

Sagittarius: (Nov. 22-Dec. 21) You may not be able to resolve things exactly the way you want, but don't worry. Your stapler will still be waiting for you at the end of a long week.

Capricorn: (Dec. 22-Jan. 19) Go with your lighter side this week. Staple a rhinoceros to the side of a building.

Aquarius: (Jan. 20-Feb. 18) You go for what you want this week, and you come out on top. Reach out for the stars. Say hello to everyone you meet. And don't forget to use plenty of staples.

Pisces: (Feb. 19-Mar. 20) The ghostly image of St. Arbogast, the patron saint of staplers, will appear before you in a department store.
