## Your Real Horoscope

by Ruby Wyner-to  
A.A.P.-certified Astrologer

**Aries:** (Mar. 21-Apr. 19) Your communications degree will come in handy when you must explain to your boss why his office wasn't stripped properly. **Taurus:** (Apr. 20-May 20) Cultivate a strong sense of community. If you're a woman, it's time to get rid of the blackhead. **Gemini:** (May 21-June 20) You're a medicine ball.

**your laundry.**  
**Scorpio:** (Oct. 24-Nov. 21) Experiment with a new look. Saw your head off with an emery board.  
**Sagittarius:** (Nov. 22-Dec. 21) Reduced land production could be due to modified cutting procedures in slaughterhouses.  
**Capricorn:** (Dec. 22-Jan. 19) Get out of the week before, because the weekend may be milder than the rest of the week. **Jan. 20-Feb. 18) The weekend will be milder than the rest of the week. **Feb. 19-Mar. 20) The weekend will be milder than the rest of the week.****

## CHAOS by Brian Shuster

"I'm warning you! If you don't stop peeking you'll be in real trouble!"

"I didn't understand the part about 'Hollywood be Thy name.'"
