SGA Report

Last weekend the CCSG (Commonwealth Campus Student Government) meeting was held at University Park. Our student leaders are optimistic about our relationship with the other commonwealth campuses this year. The new student activities fee was supported by CCSG in the meeting.

The Student Government treasurers have moved into their new offices in the old library. The door to their office is located next to the Pepsi machine in the lower level of the Reed Building. If you need to get in contact with them please go to this new office instead of the SGA office to prevent delays in any communications.

Our final commuter senator position was filled on Wednesday when SGA elected James Ruhlman to this final open position. We now have a full senate.

The leadership retreat is being held this weekend. Anyone who is planning to attend this retreat and needs more information can contact the Student Activities office.

Vice President SGA
