

BEHREND COLLEGE Sports

Sweet success

All eight seniors pictured here are worthy of recognition for their contributions to the men's and women's basketball teams over the last four years and especially this year. Members of the largest recruiting class in Behrend women's basketball history are: (front row left to right) Michelle Grover, Wendy Ebinger, Heather Shearer, and (back row left to right) Kim Landes, Anne Bonner, and Becky Swartz. The Lady Lions, with a record of 20-5, may go to the NCAA Tournament for the first time. The only two seniors on the men's team this year are Don Plyler, left, and Byron Thorne. Each will go down in Behrend history as two of only nine Lions to score 1,000 or more career points, and are in the record books for countless other achievements.
