Bonner receives award

by Greg Kristen
Collegian Staff

When you have a team that wins 60+ games in three years, goes to the playoffs and makes school history with their first NCAA bid, you're going to have some recognition.

The Lady Lions had all that, and in return for their great season one of their key players was honored with an award.

Anne Bonner, center for the Lady Lions this year, was named to the ECAC All-Star South 2nd Team.

Bonner said, "I am very flattered that I was chosen, but without my teammates I wouldn't be there."

The Lady Lions' 21-6 record displayed the kind of work and dedication the team strives for. This effort is what Bonner put

forth this season.

With the help of her teammates, Bonner had the strongest season of her career averaging 16 points and 7 rebounds per game for the cagers.

She was one of six key seniors who showed their leadership and drive in reaching their goal (the NCAA tournament).

Even though she received the award Bonner said, "There's no award that could compare to the national championship."

With their best season over, she reflected saying, "I think we had a great season. This gets us nationally recognized and a lot of people have seen that."

This has been a season for Bonner to remember in many ways. Another impressive record and a bid to the NCAA tournament.
