

From the Hip

by Hal D. Coffey

What Behrend was:

- Gorge walks
- Wednesday night (early Thursday morning)
- Collegian layouts
- Sitting on the bleachers for tennis matches
- Eating Behrend Beefsteaks
- Intramurals (back-to-back)
- Losing intramural games
- Fun on First East
- Making motions at SGA
- Being delivery boy
- An excellent Poli Sci department
- A recipient of many private donations--thanks Dean Lilley
- Getting referred for no reason
- Sledding down the ski hill
- The small college with the big degree
- Full of accessible professors
- Changing roommates semesterly
- Cheering for the Lady Lions
- Snow, snow, snow, snow, and more snow

What Behrend should be:

- Not so politically correct
- Without unnecessary politics
- Less expensive than University Park
- Minus a computer fee
- Closed when we get 5' of snow
- Having the Library open later on Friday and Saturday (like until 8p.m.)
- Renovating present residence halls
- Getting a real swimming pool
- More exciting on weekends
- More pro-active to student concerns
- Building for today not just tomorrow

What Behrend will be without:

- Keith McFall---sports editor---GRADUATING
- Hal D. Coffey---news editor---going to UP

Letter to the editor

I would like to thank everyone who helped make the Earth Day Celebration at Erie Hall on Saturday possible. This event was the product of a lot of hard work by people from many different groups on campus such as Eco-Action, SPC, Alpha Sigma Alpha, and the brothers of Kappa Delta Rho. The final product of their hard

work was raising \$550 dollars for Presque Isle and a great concert attended by close to 200 people. The support from Edinboro and the community was terrific. Thanks once again for all your hard work and I look forward to Earth Day '95.

Eco-Action President
