ARIES (March 21 to April 19) Others may not say exactly what's on their minds and you'll have to read between the lines early in the week. Later, improved concentration brings you success with certain intellectual pursuits.

TAURUS (April 20 to May 20) Visits with old friends are favored this week but there may be a last-minute change in travel arrangements. It's not a good week for shopping since you'll be tempted to overspend. Guard against this.

GEMINI (May 21 to June 20) You'll find a solution to one business problem but some you deal with may be overly sensitive and touchy, leading to another dilemma. This will sort itself out in time. Unexpected expenses may arise.

CANCER (June 21 to July 22) Work of a mental nature is favored. However, you may not get as much time for yourself as you'd like this week. This may put you in a grouchy mood but don't take it out on others. This weekend, you'll take time for reflection.

LEO (July 23 to August 22) You'll spend part of this week with financial record-keeping which leads you to a

happy surprise. Social plans are subject to change but take this in stride. A career matter is left unresolved for now.

VIRGO (August 23 to September 22) You'll reach a better understanding of a matter that has a partner concerned. Work interests may take priority over socializing. However, a close friend is easily miffed. Be careful not to offend this person right now.

LIBRA (September 23 to October 22) You may be busy with work from the office and you'll feel positively swamped this week. Right now, there's too much going on at home to consider a trip. Good news comes from a relative who lives far away. Prepare for a visit.

SCORPIO (October 23 to November 21) Be careful you don't misplace a credit card or something else of value. This week, you'll be a bit preoccupied and absent-minded. Also, pay extra attention to the tasks at hand while at work. A loved one is easily upset.

SAGITTARIUS (November 22 to December 21) Heart-to-heart discussions are favored. A family member

feels neglected and requires extra consideration and patience this week. However, you are up to the job since you're in a positive, communicative mode.

CAPRICORN (December 22 to January 19) This is a week to stay away from physically strenuous activities. Instead, work of a mental nature is favored. There is some danger of overtiring yourself through socializing. Pay heed to health and diet and you'll feel better.

AQUARIUS (January 20 to February 18) Overspending on various pleasure interests is a real temptation. However, you should be discriminating about socializing this week or you may find yourself stuck at a boring event. Not every invitation requires your attendance.

PISCES (February 19 to March 20) You're very preoccupied this week and may not be very good company. A loved one feels neglected and will lash out. Use diplomacy in dealing with this person and try to smooth things over. Friends drop by unexpectedly this weekend.
