CAPRICORN (December 22 to January 19) Insisting on your own way could lead to problems with others. It's a good week to shop for

ARIES (March 21 to April 19) Guard against clashes of temperament at work this week. Valuable advice comes from a business associate. A prudent course is best regarding financial decisions. Consult with an expert in the field.

TAUROS (April 20 to May 20) Beware of an overzealous inclination to be over-enthusiastic when you are in a hurry to do things. This could lead to a rash decision and a change in

to embrace the changes. Try not to let pleasure concerns distract you from what needs to be accomplished at home.

LEO (July 23 to August 22) Use proper precautions when tackling a do-it-yourself project, particularly if you're going to be using power tools. If you're in over your head, hire an expert instead. Be tactful with co-workers.

VERGO (August 23 to September 22) Get assistance if you need it regarding a work venture. Someone's display of temperament this week could leave you a bit perturbed about the course of your relationship. Let the heat dissipate before you take any action.

LIBRA (September 23 to October 22) You may have trouble with others' attitudes this week, but don't let them get to you. It's better to be a bit of a loner than to be a victim. Try to be a bit more assertive to
