

Natasha's Stars

ARIES (March 21 to April 19) Singles begin a lively dating cycle. Romantic introductions are indeed likely. However, you should guard against business disputes this week. Stay away from controversy that others are generating.

TAURUS (April 20 to May 20) Mixing business with pleasure will be to your advantage in the coming weeks. An ethical question could cause conflict between you and another party this week. Instead of looking for a black or white answer, try the gray areas.

GEMINI (May 21 to June 20) Travel may well lead to an introduction to a new admirer in the coming weeks for those of you who are single. Couples enter a renewed period of romance. Be careful not to overspend this weekend.

CANCER (June 21 to July 22) You may be investing in an antique or luxury item in the near future. However, shop around first to be sure you're getting the best buy possible. It will be a productive work week, but with partners, there will be a need for compromise.

LEO (July 23 to August 22) Try not to let tension at work interfere with your performance on the job this week. Avoid getting dragged into a situation which was not of your making. Romance promises to be a major highlight.

VIRGO (August 23 to September 22) Your personality will be an asset in business affairs in the weeks ahead. An assignment comes that is not only to your liking, but will show off your diverse talents as well. Questions relating to intimacy arise this weekend.

LIBRA (September 23 to October 22) You'll be getting more fun out of life this week. Singles will meet with a new romance. Those of you who are attached also experience new vigor in your love life. However, extra consideration is needed concerning a sensitive relative.

SCORPIO (October 23 to

November 21) You may be entertaining out-of-town guests in the weeks ahead. Others will start redecorating their homes. An out-of-sorts co-worker may try your patience this week, so do your best to avoid this person. Bigwigs are watching.

SAGITTARIUS (November 22 to December 21) Local travel will definitely have romantic overtones. Social life is favored, providing that you avoid disputes about financial matters. Instead, look for amusements that are inexpensive.

CAPRICORN (December 22 to January 19) A tendency to be bossy with family members needs watching. Be sensitive to the feelings of someone close to you. It's a good time for getting involved in group activities or community issues. The weekend favors shopping expeditions.

AQUARIUS (January 20 to February 18) The weeks ahead find you turning your energies into improving your physical appearance. Charm eases your path this week. However, some cranky types may be encountered this week. Take this with good humor. It soon passes.

PISCES (February 19 to March 20) Couples will shut out the world and spend more time with each other in the coming weeks. This week, a touchy friend is easily offended. Try not to be drawn into a silly quarrel. The weekend is good for visiting relatives.
