

# Lady Lions in home stretch of season

by Nick Zulovich  
Sports Editor

The Behrend Lady Lion volleyball team continued its season Tuesday with a trimatch against Lake Erie College and Wilmington College. Behrend defeated Lake Erie 15-7, 15-9 and Wilmington 15-9 and 15-7.

The Lady Lions' record now stands at 15-19.

Amy Good led Behrend in kills over the two matches with seven. Erin McCormick and Kim Vollmer added six kills apiece.

McCormick and Angela Georg paced the serving attack with five aces each.

Last Thursday, Behrend suffered two losses at the hands of Allegheny College and Washington & Jefferson.

Behrend lost to the Lady Presidents of W&J 15-8 and 15-10. Then Behrend's evening did not get much better against Allegheny, falling 15-13 and 15-0.

The biggest problem for the Lady Lions that night was service errors. They committed 22 service errors on the evening.

Head Coach Sharon Gregory explained that the score against Allegheny did not reflect how they played.]

"We didn't play as bad as 0-15 sound. Errors just killed us because it took away any momentum we might have had," explained Gregory.

Though the Lady Lions record is currently under .500, Gregory said the team has set some goals for the end of season.

"We've set some goals for our final 10 games. We feel we're a better than a .500 team, and we want our record to show that," stated Gregory.

The Lady Lions have also been getting some national

recognition. Behrend is third in the nation among Division III schools in team blocking, averaging 5.6 blocks per game.

McCormick is also ranked nationally in blocking. She averages 2.7 blocks per game.

## Behrend IM report

by Mike Coursey  
Collegian Staff

The Intramural football season is underway with a record number of teams signed up this year. According to Rob Whitman, Intramural Director at Penn State-Behrend, there are 42 teams signed up for Intramural football. 38 Men's Teams and four Coed teams.

Rhandy Cafe', third semester Accounting, said he plays IM football for many reasons.

"Because it's fun and it's a good workout, plus I get to play with my friends," he said. The ten players that compose Rhandy's team call themselves WTF.

Chris Sokiera, fifth semester MIS is on Rhandy's team. He plays to "break from routine, exercise."

Joe Mottilo, a player for Sig Tau B said he plays for the "competitive atmosphere, chance to get out."

Brian Gore, 4th Semester, Electrical Engineering, added that playing is a "chance to get out, relieve stress".

Whitman added that the billiard entry deadline is October 27th, and bowling entry deadline is November 3rd.

Students use intramurals for both exercise and a break from classes.

They play flag football, which is supposed to be non-contact but sometimes collisions do occur. Most of the participants play in order to get a little exercise or for the enjoyment of playing football.

According to Rob Whitman the regular season runs until October 26th, with the playoffs starting October 29th and ending the first week of November.
