The sun's still in Aquarius this week. Study now, while you're in the mood. This situation won't last. Monday morning's slow, but from that evening through Wednesday should be fabulous for club meetings, team sports and parties. Now, that's educational! Thursday and Friday are stressful, as deadlines loom. Saturday and Sunday are actually the best study days this week. If you've got to write a research paper, do it then.

Aries (March 21-April 19). Don't go out to breakfast Monday morning. You'd be wasting your money. Tuesday and Wednesday are great for traveling, philosophical debates and studying a foreign language. Do not ditch any classes on Thursday or Friday. The professor will definitely notice. The parties should start about Friday night, and go clear through the weekend. Don't forget to do your homework Sunday night, or you'll be in trouble!

Taurus (April 20-May 20). Make contact with your partner Monday morning, to synchronize your schedules. Study finances Tuesday and Wednesday, including your own. Thursday and Friday are best for learning foreign affairs and management techniques. Friday night through Sunday could be tough. A big assignment threatens to wreck your entire weekend. Stop arguing with reality! Settle down and do it, so you can get on to other things.

Gemini (May 21-June 21). Monday morning's tough. Don't miss class, though, or it'll be even worse. A fascinating friend could

hold you intellectually captivated from about Monday night through Wednesday. Don't ignore all of your responsibilities or you'll attract attention. Get serious again Thursday and Friday, or you'll lose money. You can play again this weekend. In fact, you might get to go someplace else to do it. Don't go alone!

Cancer (June 22-July 22). Monday morning's your best time this week for romance, if you can arrange it. From that afternoon through Wednesday, you'll be working too hard to find time. Meet with a partner to discuss impending action on Thursday or Friday. If you don't have any such plans, formulate some. From Friday night through Sunday, you really ought to do homework. Scientific subjects, computers and finances will all be easier than usual.

Leo (July 23-Aug. 22). Don't quarrel with a roommate Monday morning. It's a waste of breath. Get together with a more kindred spirit that evening. Your conversation could extend all the way through Wednesday, if you'd let it. You'll have to work hard on Friday and Saturday, if you want to keep up. Confer with a friend who can help you accomplish a big goal over the weekend. If you can spend some time together, you may be able to make it happen.

Virgo (Aug. 23-Sept. 22). Get up early Monday to study. You'll retain what you read even better than usual. A roommate's problems may disrupt your life from about Monday night through Wednesday. Try not to be too critical, while still defending your space. Your best days for love this

week are Thursday and Friday. You may not be able to afford to go out, but you'll have a great time anyway. If you get the chance to work over the weekend, take it.

Libra (Sept. 23-Oct. 23). Pay bills first thing Monday morning. Get together with an expert to study Monday night. You'll breeze through a reading assignment Tuesday, so you can finish the report on Wednesday. Stay home Thursday night and study. Friday could be difficult, but that evening should be lots of fun. You may have more invitations over the weekend than you can possibly accept. Do your best; your public awaits you!

Scorpio (Oct. 24-Nov. 21). You may develop a brilliant scheme Monday, but not have time to execute it. By that afternoon, you'll be busy figuring out how to spend your money. There may not be quite enough for everything you want. On Wednesday, your attention shifts to other matters. You may actually get interested in something you're studying! Do that through Friday. Go home for the weekend. Somebody there wants to talk to you.

Sagittarius (Nov. 22-Dec. 21). Race around Monday morning and do everything you were supposed to have done by then. Later that afternoon, the moon goes into your sign and you get lucky. Since you're already good-looking, you can't fail! Shop for essentials Thursday and Friday. Get second-hand, if possible, to save. You'll soak up the material Friday through the weekend. Stick around the library and make the most of this phase!

Capricorn (Dec. 22-Jan. 19). A meeting early Monday should go well. Once your plan is formulated, the rest will be easy. Finish overdue assignments Tuesday and Wednesday. You'll be strong, energetic and good-looking on Thursday and Friday. Ask for what you want then. If it's a raise, you just might get it. From Friday night through the weekend, you probably ought to count your money. When that's done, shop for new electronics.

Aquarius (Jan. 20-Feb 18). A Monday morning class could be dreadful. The professor will be even more obstinate than usual. Conditions improve after that. A meeting Monday night goes well. Tuesday and Wednesday are also productive, especially if you're working with friends. The pressure's on Thursday and Friday. Comply with regulations, or suffer the consequences. The sun and moon are both in your sign from Friday night through Sunday. Too cool!

Pisces (Feb. 19-March 20). You could get a clue to the puzzle Monday morning. From that afternoon through Wednesday, expect to get kidded a lot. People are just in that kind of mood. Go to club meetings with kindred spirits Thursday and Friday. If nothing is scheduled, create one. Theaters Unlimited would be a good place to start. From Friday night through the weekend, you may have your head in the books, or glued to a computer screen. Enjoy!

New scholarship offered

BEHREND-A new scholarship has been endowed to Behrend College. The scholarship, endowed by Mr. and Mrs. Nicholas Scott, is designed to provide recognition and financial assistance to students with demonstrated leadership abilities who are enrolled or planning to enroll at Penn State-Behrend. Recipients will also have a proven need for funds to meet their college expenses.

"We think Penn State-Behrend is a forward-thinking institution," said Scott. "It's a real resource for the Erie community, and we want to help it prosper."

Two of the Scott's five children are graduates of Penn State; a third is currently enrolled.
