And then, pull out your sherlock hats and get ready for a murder mystery dinner and comedy show!

The cost is \$15.00 for adults, \$5.00 for kids 6-12, and kids under 5 are free, but the mystery case may be "costly!"

The reservation deadline is Monday for the dinner and all questions should be directed to the Office of Student Activities.

Sunday ends the fun with

brunch from 11:30 a.m. to 1:15 p.m.

Rizzo said that the "weekend to remember" is not only exciting, but a great chance to get involved in a Behrend tradition.

"I'm really excited about it. Last year's participants had a lot of fun. [I don't think that anyone should miss this chance] to celebrate a Behrend tradition," said Rizzo.

On Tuesday at 6:30 the annual Harambee Dinner was held. Sponsored by the Dean of Student Office and the Behrend Multi-Cultural Council, the dinner is a large festival of people from the college and the surrounding area celebrating an evening of cultural foods, music, and art.

The word, "Harambee" is Swahili for "let us all pull together." It originated in Kenya as a political slogan to promote national unity. Patrice Madison Pullen, the Special Program Assistant worked with the Harambee Council of the Multi-Cultural Committee to plan the evening's events and menu. Pullen said that, "We used the

slogan to bring the entire campus community together to welcome the new academic year."

The Penn State students were invited to the dinner along with some special guests. Special guests included members of the Community Advisory Council for Underrepresented Groups (CACUG), an organization from Erie. The guest speaker for the dinner was Gary N. Lee, president of GNL Consulting Group. A group that specializes in youth entrepreneurship, economic development, and total quality management. According to Leo, he said he has personally committed to helping youth, "I have made a lifetime commitment to motivating youth to reach their potential."

A dinner including

"ghanaian beef stew" from a recipe contributed by Patience Simmonds of the Behrend Library from Ghana. In addition to Lee, there was a poetry reading by Behrend student Joneatra Henry who is a member and co-treasurer of the Association of Black Collegians. "True Praise," a six-member acapella gospel group also gave an exciting and energetic performance. Several Erie area merchants including Positive Image, Betty's Custom Draperies and Stewart's Cultural Center had booths set up selling unique African artifacts and clothing.

The dinner was a wonderful opportunity for the campus to gather together and learn from each other. Students and faculty are eagerly awaiting the next Harambee experience.
