The Lady Lions dropped two games to Washington and Jefferson last week. The losses gave the team a 3-17 record.

In her final season as the softball coach Sharon Gregory has been plagued by an inexperienced team and several injuries.

Despite their meager record big things will be expected of the team that features no seniors and only three juniors.

On Monday Behrend ran into a buzzsaw as Washington and Jefferson's pitcher Jesse Stano gave up just one hit in the opener.

Stano recorded four strikeouts in the game and only allowed one runner past first base.

The Lions Beth Calhoun was equally impressive on the mound as she pitched five innings of scoreless ball.

The Presidents finally broke into the scoring column after Calhoun was forced to leave due to an injury.

W. & J. scored three runs in the sixth. Three errors by the Lions aided the Presidents rally.

After scoring two more in the seventh Stano shut down the Behrend offense to earn the win.

In the second game Berhend had a little more luck in the second game as they scored three runs.

Unfortunately a pair of three run innings by Washington and Jefferson ended Berhend's victory hopes.

The Lady Lions found better luck in the second game off of Stano. Behrend pounded out eleven hits in the losing effort.

Lisa Fox, Calhoun, Baumer, Jen Mertz and Tammy Marsh each had two hit games.

Lead-off hitter Jeannie Dowdy scored two runs for the Lions while Fox added the third.

Calhoun is wrapping up another splendid year for the Lady Lions. Not only is she the star pitcher for Behrend, she is also their leading hitter.

She recently set a school record for career doubles. On the year Calhoun has recorded eight two-baggers.

Calhoun also ranks fourth in Division III in doubles per game. "I'm proud to be able to represent the school" said Calhoun.
