The men's and women's cross-country teams both placed second this weekend at the AMCC Championships.

LaRoche hosted the conference meet that was run at Brush Creek Park on a rainy Saturday afternoon. Even with the bad weather the Lions had a good showing.

Sandy Mishic who placed second with a time of 21:05 led the women's team. Other runners scoring for coach John Drew's team were: Joet Kolano (8th), Sheila Rivera (12th), Kerry Hinkson (13th), and Cynthia Rabbers (18th).

Mark Huether who placed seventh in a time of 28:01 and Tyler Travis who placed eighth led the men's team with a time of 28:05.

Dennis Halaszynski (12th), Mark Surovic (13th), and Chris Reed (14th) completed the scoring for the Lions.

Frostburg State University won both the men's and women's championships nearly sweeping the top five places.

The top seven individuals from the men's and women's races were named to the All-Conference team.

Two Behrend runners, Mishic and Huether, earned the all-conference honors with their second and seventh place finishes in their individual races.

Kolano missed making the all-conference team by a matter of seconds.

Both teams are looking forward to the upcoming ECAC Regional Championships at Dickenson College on November 15.

Lions drop fourth in a row

Heading into the final portion of the season the Behrend men's soccer team had a chance of making the ECAC tournament.

Four straight losses for the Lions have all but eliminated that hope for the young squad and left them reeling heading into the Allegheny Mountain Collegiate Conference tournament.

Coach Dan Perritano's Lions lost a disappointing match at Allegheny on Tuesday, dropping their record to 10-8. The 4-0 defeat was one of the few multi-goal losses for Behrend this year.

"We played an Allegheny team that was at the top of their game, they took advantage of their chances," said Perritano.

Despite the recent string of losses it has been a successful year for the men's soccer team. "We have eighteen new players this year, 10-8 is a good season," said Perritano.

Now that the regular season has come to a close Behrend looks to end the year on a positive note and put the losing streak behind them. "What matters right now is that the regular season is over and we have a chance to win a championship," added Perritano.

The Lions will have to travel to Frostburg State for the AMCC

tournament, but they will open play against LaRoche. Behrend beat LaRoche 1-0 earlier this season.

If they are able to defeat the Red Hawks the Lions will most likely have to face a powerful Frostburg State team. Frostburg defeated Behrend by a 2-1 score during the regular season.

"Frostburg is clearly the favorite, they are 17-2 and have a strong team," said junior captain Travis Lang.

The Lions will have to be on the top of their game to win the AMCC championships, but no matter what happens the young Behrend team has exceeded many people's expectations.
