On Sunday, October 13, twelve members of the Matchbox Players, Behrend's student

theatre organization, participated in Erie's "Heart Walk." Along with their faculty advisor, Tony Elliot, lecturer in theatre, these Behrend students joined hundreds of other members of the Erie community to take a five mile walk and to help battle heart disease, the number one killer of Americans. This is the sixth year that Erie has had a "Heart Walk" and it is the second year that the Matchbox Players have participated. Thanks to the generosity of the Penn State-Behrend campus community, the Players were able to raise nearly \$500 to support the work of the American Heart Association. Thank you, to all who contributed. The Matchbox Players will be out there again, next year, raising money to fight this dreaded disease.
