## Lady lions win first ever AMCC conference game

Pressure defense too much for Pitt-Bradford

The Penn State-Behrend women's basketball team won their first AMCC matchup of the year, defeating Pitt-Bradford by a score of 60-38.

The win moves the Lions ahead to 9-2, while setting their AMCC conference record to 1-0.

The Lady Lions played tenacious defense the whole game, plugging the passing lanes and creating steals and turnovers, which in turn led to offensive buckets.

"We create a lot of turnovers from our defense. I think our defense creates a spark for our offense," said senior captain Emily Marini.

The game started out close for the first five minutes of the half until the Lady Lions went on a 14-0 run, sparked by their pressure defense which put them ahead 22-7. From that point on, the Lions never looked back as they closed out the first half lead-

ing 30-13.

On the offensive end, Nikki Schultz led the way with twelve total points, while also creating three steals.

Besides having a big game defensively, Carrie Nestor came through with a double-double, as she pulled down eleven rebounds and scored eleven points.

Emily Marini came up with six points, six assists, and six rebounds, to go along with her three steals.

Also contributing on the offense was Tiffany Buck with two three-pointers and eight total points.

Over the Christmas break, the Lady Lions played four games in which they came out with a record of 3-1.

On the 11th of December, the Lions defeated Thiel by a score of 66-35 at Behrend. Nikki Schultz led the scoring with ten points, while Kim Moses pulled down a team high 10 rebounds.

On the 6th of January, the Lady Lions smacked Thiel once again on the road by a score of 54-42. Tiffany Buck led all scorers with 14 points, as Nikki Schultz led the rebounding with 11 boards.

The Lions next traveled to Juniata on the 9th of January, where they came away with a big 51-47 victory. Leading the scoring column was Jen O'Lare with 11 points. Carrie Nestor had a big day on the boards as she pulled down a team high 10 rebounds.

The only loss of the holiday season came in a road loss to Frostburg State by a score of 41-75. Emily Marini paced the scoring with 12 points, while Carrie Nestor pulled down another team high 8 rebounds.

The Lady Lions will next be in action Jan. 17th when they host Washington & Jefferson at 2:00 p.m.
