

# Where will your \$50 go?

Dear Students, Faculty, and Staff,

*A committee of seven students and three faculty/staff members is currently developing a plan for use of 1998-99 student activity fee revenues. We invite your suggestions. Available funding for next year is estimated to be \$160,000. Funding guidelines are summarized below.*

## GUIDELINES

Excluded from funding consideration are salaries, major building renovations, and construction of new facilities. Student activity fee revenues may not be used to replace activities currently supported through general University funds. Student activity fee revenues may be used for the following purposes.

## GENERAL STUDENT ACTIVITY FEE FUNDING CATEGORIES

- **CAMPUS ACTIVITIES** which enhance out-of-class experiences for students, including registered student organizations, publications and radio stations, publicity for student activities and programs, learning experiences, and travel. (NOTE: the needs of registered student organizations will NOT be considered by the Student Activity Fee Allocation Committee. A separate SGA Budget Committee will meet later this spring to make student organization allocations. Student organizations should therefore not submit their specific needs until notified by the SGA Budget Committee.)
- **EQUIPMENT** which facilitates opportunities for student involvement and campus-wide programming. (NOTE: academic and academic support needs, including computing and library needs, are excluded from student activity fee funding consideration.)
- **FACILITIES UPGRADES** in direct support of out-of-class experiences.
- **PROGRAM SUPPORT** to meet campus-wide programming needs such as lecture series, music programs, cultural events, and entertainment.
- **RECREATION**, including support for club sports, intramurals, open recreation, and facilities and equipment which support these needs.
- **DIVERSE POPULATIONS AND ISSUES**, including programs and activities which support and/or enhance such diversity and non-traditional activities as women's and multicultural issues, subsidized child care, special lounges, and program support.
- **SELECTED SUPPORT SERVICES**, including athletics, career development and placement services, child care services, health services and health education, personal counseling, and student activities.

*Please return your written suggestions to  
the Office of Student Affairs, Reed Union Building, no later than Wednesday, February 4, 1998.*

*Questions may be directed to Dr. Chris Reber, Dean of Student Affairs (ext. 6111) or Mike Zampetti, SGA President (ext. 6220).*

*Thank you in advance for your input.*
