

Spring fever infects Behrend

It always comes at the end of the Spring semester. Traditionally it is one of the most anticipated events on campus. No, it's not finals week. It's the Battle of the Bands. This year, the event has a new format and a new name. The campus will be overcome by "Spring Fever" on Friday, April 24 at 3:00pm.

This year the event will differ from the past in that no longer will there be a competition between local bands. This year the music will be provided by Pittsburgh rockers The Ike McCoy Band, Bitter Delores, Nixon Clocks, and Erie's own 70's tribute band, Reunion. In between acts, local radio station, Rocket 101, will rock the apartment quad.

Spring Fever/ZYR is more than music. Vendors will be on hand selling items such as jewelry, candles and clothing. Student organizations will also take part in the event by setting

up a variety of booths. Free refreshments have been donated by Housing and Food Services. Matt Boarts, 07 Communication, is one of the organizers of the event. "We are trying to create a festival type atmosphere. It should be a blast," Boarts said.

The live music will begin at 5:00pm and last until midnight. Dawn Holzer, 06 Accounting, also organized the event. She said that, "Every year, Battle of the Bands has been great, but this year Spring Fever goes above and beyond." Boarts agreed adding, "We have some great bands this year. Everyone should check this out."

This year, as in the past, the event is being sponsored by the Panhellenic Council and the Inter Fraternity Council. In addition to the Panhellenic Council and IFC, the event will also be sponsored by ZYR, Housing and Food Services, Lion Ambassadors, Joint Residence Council, Residence Life, and Commuter Council. The event is free for all students.
