34 Brock Bovaird

Position: Guard

Sport: Men's basketball

By Matt Buser
staff writer

Senior Brock Bovaird has been the catalyst for the men's basketball team since his arrival as a transfer student from Clarion at the start of last year. The 5'10", 165 pound point guard quickly established himself as a force for the Lions.

He averaged 15.1 points, 3.4 assists, 3.3 rebounds, and 1.7 steals per game in the 97-98 season, as the team went 18-9 and won a conference championship. He was named the Allegheny Mountain Collegiate Conference Newcomer

of the Year, and was named to the All-AMCC First Team. He finished in the top ten in three-point shooting, at 49% (64/129), for NCAA Division III. He currently ranks as Behrend's all-time leader in three-point percentage, at 45% (90/200).

Through fifteen games this season, Bovaird is averaging 12.0 points, 4.5 assists, and 3.2 rebounds per game, and has helped lead Behrend to a 12-3 record.

"He's a ball-hog," junior forward John Park joked. Park went on to add, on a more serious note, "He's a definite asset to the team. He's a great shooter and he runs the floor well. He does a

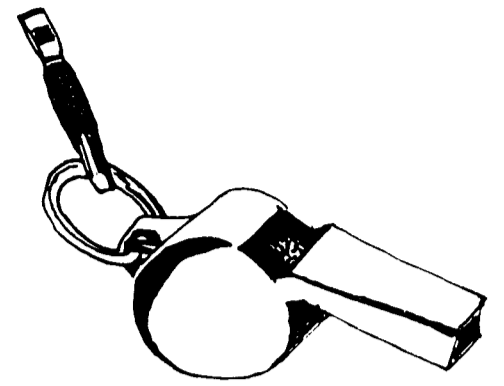

great job controlling the offense and dictating the tempo of the games."

Guard Jason Paloskey pointed out that Bovaird is "better at Tecmo Bowl than he is at basketball," and that he is "the resident sports trivia king of the basketball team."

Behrend Coach Dave Niland commented, "Brock is as good a guard as there is in Division III. His numbers, on a national scale, reflect that. He does a lot of different things and does them well." Coach Niland added, "Brock is truly one of the nicest guys you'll meet. He's been a great addition to the program."

You Make The Call!

Who do you think will win the Super Bowl and what will contribute to that win?

"I think Denver will win. John Elway is going to come through one more time, and then he'll retire."

Greg Michalski, 01, Undeclared

"I think the Falcons will win. Jamal [Anderson] will kill them - they won't be able to stop him. Minnesota played him well, but he won't be held down two straight weeks."

Jack Proper, 07, Commu

"The Falcons will win, and Jamal Anderson will be the MVP. I think the Falcons want it more, and I think Denver will underestimate them."

Jason Paloskey, 08, Commu

"Denver and Terrell Davis - it won't even be a game."

Collin Ludmer, 02, Commu

"Denver. [Chris] Chandler will keep the game close, but I think the Broncos will pull it out in the end."
