43 Jen O'Lare Women's Basketball

by Jessica Tucci
associate editor

Jen O'Lare may just be a sophomore, but she is a serious contributor to the Behrend women's basketball success. Offensively, she has been the leading rebounder in the last eight games and is averaging 12

points per game. Her rebounding average is 6.5 rebounds per game. O'Lare also contributes 2.1 assists per game. Defensively she adds 1.4 steals per game.

Coach Fornari believes that O'Lare has greatly improved from last year, and is pleased that O'Lare could step into a starting role as a sophomore. "The team

relies on her more and more as a go-to player," says Fornari. Fornari concluded by saying, "She does whatever we ask her to in every game."

As for O'Lare herself, she believes that the team has a bright future, and states, "we push each other to become better players by competing strongly against one another."
