due to all the students that live in the building. This reporter asked Edward Mulfingher about the possibility of extermination during the summer intercession. Mr. Mulfingher replied that "All of the mice will leave building during the summer, so it would be pointless." As for the ruined shirts Housing replied that it would be doubtful for any sort of compensation from Behrend. The students were told to report the damages through their Homeowner's insurance.

"It stinks," says Rob Dolak, 08 ME

and RA at Almy Hall, "We pay all this money to live here and nothing can be about this problem." Many other students have been effected by this problem. There have been numerous reports about skunks around the apartments. The mice have also invaded the ground floor of Almy. There have been reports that the mice have already invaded Ohio Hall.

Students simply want to see this problem remedied though. One of the students in room 403 said, "All I want is for the mice to be gone. I have never

left food out in my room, but the mice have been coming anyway. Why can't Housing take action and fix this during the summer so the problem isn't here again in the fall?"

Mulfingher responded to this question saying, "It's all because the wildlife is distorted because of the construction on Ohio Hall. Housing has made sure that traps were set in the attic space in Almy." To which the students in room 403 have said, "We can still hear the mice run across the ceiling every night."

## Behrend Greeks support Bowl-a-thon

On the weekend of March 25-26, the Big Brother/Big Sister program of Erie held a Bowl-a-thon at the Rolling Meadow Lanes on Zuck to raise money for their foundation. WJET TV and Olive Garden helped sponsor this event which had a strong turnout. The Bowl-a-thon consisted of teams of bowlers who raised pledges individually. The minimum amount per person was \$50 to enter, but bowlers were encouraged to find as many pledges as possible. The fundraiser was open to anyone and there was a mixture of company teams, like one from Hamot, and groups of friends who wanted to support the Erie

program.

Behrend Greeks donated their time as well. Alpha Sigma Alpha (ASA) entered three teams and also offered sisters as volunteers for both nights. Alpha Sigma Tau (AST) joined up

photo supplied by Alpha Sigma Alpha Sorority sisters at the bowl-a-thon

with Zeta Beta Tau (ZBT) to enter two teams as well. ASA Adan Huber, 04 Psych, reported, "I thought it was a spectacular way for our sororities to interact with the Big Brothers/Big Sisters program."

Altogether the eight ASTs and two ZBTs raised \$620 for the Big Brother/Big Sister program. The 15 ASAs that participated gathered close to \$1,000 altogether.

The bowling alley was festive. Olive Garden provided free food for the bowlers and volunteers and a DJ roused the crowd with theme music. AST Erin Baker, 04 MIS, explained, "It was a good cause and it was a lot of fun." ASA Michelle Benjamin, 08 Mang/Fin, agreed, "I had a great time bowling with my sisters. I can't wait to do it next year."

## B.R.U.N.O.S. is not just a place to eat

by Shannon Weber  
news editor

The Behrend theatre group, Matchbox Players, is ready to present a musical satire on college life at Behrend. B.R.U.N.O.S., written by Joe Getway and Dallas Skeens, explores the possible scenarios one may experience at college. Six upperclassmen (played by Erin Costello, Jessica Dows, Leo Hanley, John Hoderny, Stephanie Miller, and James Washburn) aid in educating two freshmen (played by Ryan Cannon and Bethany Cummings) in "normal operating procedures" at Behrend. The upperclassmen examine such aspects as money, parties, and relationships with the help

of a supporting cast.

Members of this cast who are veterans to Behrend's productions include Danielle Marshall, Trisha Michel, John Hanley, Gretchen Foust, Amanda Pieper, Jack Kichura and Geoffrey Pieper. Several students that will be making their debut at the Studio Theatre are Lorriane Graves, Jennifer Luebbert, Kim Herrman, David Grygier, Shannon Weber, Dan Schiesser and JoAnn Fabrizio. Mr. Tony Elliot, advisor of Matchbox Players will direct B.R.U.N.O.S. Dr. John Champagne is providing musical direction, as well as performing on stage and accompanying on piano. Mrs. Marjorie Podalsky and Dan Godla are also providing musical ac-

companiment.

The music is based on popular Broadway shows such as Les Miserables, West Side Story, Oliver, and many more. Some of the songs, such as "Be Our Guest" from Beauty and the Beast and "Tomorrow" from Annie, have been edited by Matchbox Players to tie into the story.

Come and experience Behrend's first-ever student written and produced musical revue, B.R.U.N.O.S. Show dates and times are April 15-18 at 8 P.M. with a matinee on Sunday at 4 P.M.
