

1998-99 wrap-up cont. from pg. 12

Hughes (second team), with Bovaird winning AMCC Player of the Year and Hughes sharing Newcomer of the Year.

THE LADY LIONS CAPTURED THE AMCC crown with a vengeful win over Pitt-Bradford in the AMCC Championship game in Erie Hall. Head coach Rosalyn Fornari won her 100th win at Behrend in the same game to make the night memorable. The women finished the season with a 17-9 record, but failed to qualify for the ECAC Tournament. Carrie Nestor, Jen O'Lare and Erin Phillips all were named to the All-Conference second team. Tiffany Buck broke the career three-point record in the closing weeks of the season. Coach Fornari was also named Co-Coach of the Year.

The spring season saw some success scattered throughout all

sports. Behrend added track and field to their list of teams that include baseball, softball, golf, and tennis.

BEHREND SOFTBALL JUST CAPTURED the AMCC crown this past weekend after hosting the tournament. The Lions defeated LaRoche and blew away the rest of their competition in the conference, including a 49-0 trouncing of Pitt-Greensburg. The Lions were coached by Cindy Jacobelli.

THE BASEBALL TEAM BATTLED for the AMCC Championship this season, but fell just short to Frostburg who won the title. Behrend won a school record, 24 games, entering their final contests against Allegheny and Grove City. Behrend was coached by Paul Benim and the Lions will stay determined to win the AMCC Championship in the near future.

BEHREND TRACK AND FIELD gave inaugural a new definition with a

shocking first season under Rich Hoffman. The Behrend men earned a national ranking of 27 midway through the season. The men were the first team in Behrend's history to be ranked in their respective region.

THE MEN'S GOLF TEAM finished fourth in the AMCC. Matt Livingston was named to the first team All-Conference team due to his third place finish at the Championships.

MEN'S TENNIS MADE SOME 'RACQUET' in the AMCC after a slow start to the season that saw them go 0-3 to open their season. The men were 6-8 entering the AMCC Tournament where they were 2-2.

Overall, the Lions' athletic teams all roared loudly in the AMCC this season and set new standards for future Behrend teams. Many of these successful athletes and coaches will be returning next season in hopes of entering the 21st century in grand style.

Jake Boyle Baseball

by Jessica Tucci
associate editor

Freshman Jake Boyle is on fire this year. He is impacting every pivotal point possible for the Behrend men's baseball team. He leads the team in home runs with eight, RBI's with 46, and runs scored with 43. In addition, Boyle broke the Behrend baseball homerun record this year with his eight.

His eighth homerun occurred during the AMCC tournament, but the story doesn't stop there. It was the ninth inning with two out and no one on base. The next batter had a hit, and the next batter was walked. Then Boyle came to bat. The count was at one and one when Boyle came through for the team and smashed the record breaking homer.

Coach Benim is ecstatic with Boyle. "Jake is an excellent student-athlete," said Benim. "He is having an incredible year. At times, he has absolutely carried our team with his hitting."
