

# The Behrend AMCC To

by Jeff Miller

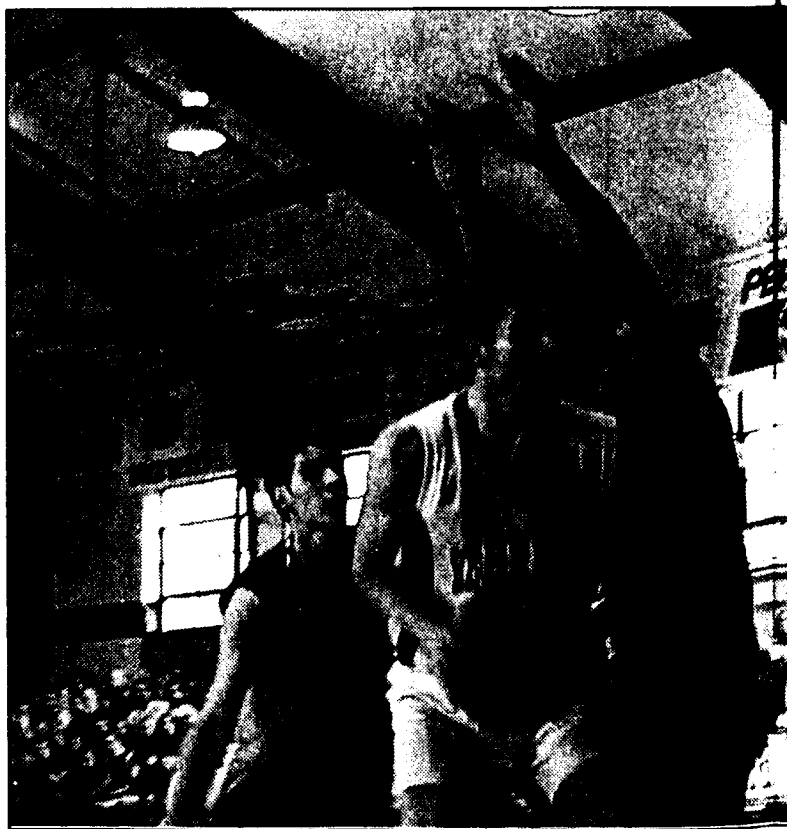

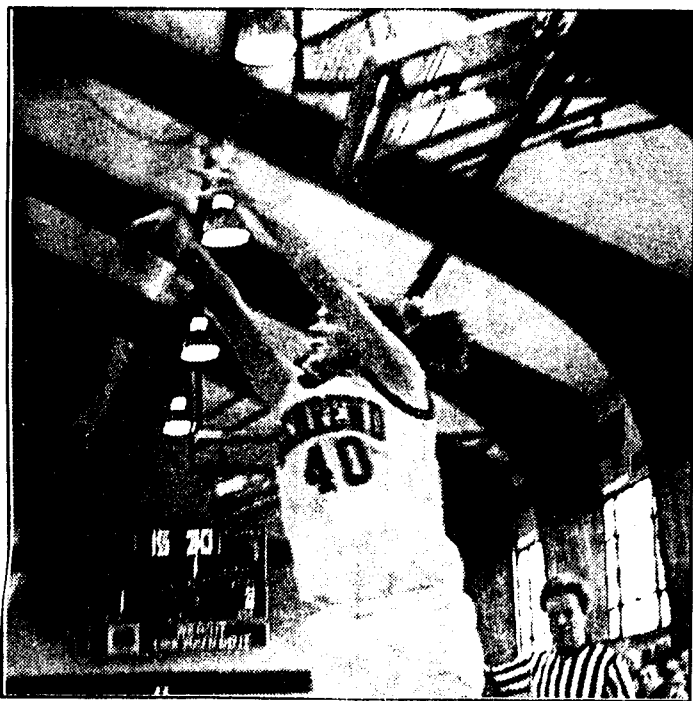

Some of the last games to be played in Erie hall were the AMCC tournament games. They were held on Friday, February 25 and Saturday, February 26, and the gym was packed in support of the Lions. On Friday the men and women played LaRoche and defeated them due to their tenacious basketball skills. Unfortunately they didn't fair as well in their second games but they put in a valiant effort. Thanks to the heart and soul of the Behrend basketball program many have enjoyed watching their games.

There is no stopping Orris (left) and Costanzo (right) as they head for the basket.

Nate Willson plays aggressive defence against LaRoche.

Coach Fornari gets fired up during the game.
