TAKE BACK THE NIGHT 2000

Penn State Behrend will host Take Back the Night 2000 on Wednesday, April 26. Participants are asked to meet in the Reed Wintergarden at 7 p.m. for an introductory talk, and the candlelit walk will begin at 7:30 p.m.

Take Back the Night is an annual call to make the night safe for Women. It focuses primarily on promoting awareness for rape and sexual assault. The first local Take Back the Night March took place at Penn State Behrend in the 1980's and in succeeding years was co-sponsored with other organizations and relocated to downtown Erie.

This year, the students involved in Women Today have decided to re-ignite interest in this important event by sponsoring the march at Behrend. The candlelit walk through campus will include brief talks concerning issues such as date rape, counseling, and legal recourse for rape survivors. The event will conclude with a speak-out, when any person is invited to share her or his experience with rape or sexual assault. Counselors from Behrend will be participating in the march and will be available to talk to anyone present. Following the march will be a reception in the Reed Wintergarden.
