January 26, 2001 is the last day that students are permitted to turn in housing contracts. Students are to drop off requests in the Housing Office in Dobbins, and no deposit is necessary. This year there will be a lottery system to choose housing so camping out is unnecessary and prohibited. Students requesting apartments that currently live in traditional residence halls must turn in request cards for both the apartments and their residence hall in case an apartment is not available. Students turning in requests after Friday, January 26, will be placed on a waiting list.
