 editorial page editorNot long ago, I had the pleasure of shopping at the Wines and Spirits store, located on Buffalo Road in Harborcreek. Upon arriving, I was asked to show my ID. which I happily handed over: The clerk greeted me with a smile and a nod walking me smile section.
The store presented me with aisle after aisle of topnotch liquors and pre-mixed drinks. The Wines and Spirits store also caters to all budgets. The average college
student (21 and over, only, please) can feast on wine for $\$ 3.99$ and vodka for $\$ 5.49$ ! You can spend an hour in the store walking around filling up the miniature-sized buggies and still spend around $\$ 30$ !
In the back of the sture, they offer some of the most popular cheap wines and mixed drinks already chilled. The cooler features Arbor Mist (that is usually on special) and Jack Daniels mixed coolers. They Danc have long time faverites such as Bartles and Jaymes. Just when I and Jaymes. Just when I hought il could get any better, I pushed my buggy up to the checkout to find more than a dozen shelves of
miniature-sized versions of all types of liquor. These "sample sized" drinks cost anywhere between $\$ 1.99$ and $\$ 4.99$ ! A few extra dollars will get you a taste of something new every time. They also usually have samples on special for 99 cents! Pucker was the special when I was there and I got one of each flavor. They proved to make my taste buds tingle!
So if you are 21 or over why not make the Wines and Spirits store your hot spot this weekend? It offers the this weeken. Itoffers the rest of us who are poor Please drink respor

SORRY TO BOTHER YOU AGAIN: A bandit robbed a Chevron station in Albuquerque, N.M., and then ran to his getaway car where he discovered, to his dismay, that he had lost the keys. The clerk was talking to the cops on the phone when the frantic robber ran back into the office to look for them. Then the police came, and the guy just gave up.

SO, WHAT DID YOU LEARN IN SCHOOL TODAY? North Bergen, N.J., High School students played a sex game in the classroom, apparently out of the sight of the teacher, who was sitting at her desk doing paperwork the whole time. At least nine kids engaged in various sex acts during a game of "Truth Or Dare," and, at one point, their giggling attracted the attention of the teacher who came down the aisle and asked what they were doing. They stopped, but resumed the game as soon as she went back to her desk. She has been suspended.

A LEADER WHO KNOWS WHERE HE'S HEADED: Greg Ritchey, a Green Party candidate for city council in Columbus, Ohio, scheduled a press conference at City Hall, then got lost trying to find the building. As reporters waited for him, he went instead to the Ohio Statehouse, where he wondered where everybody was. Finally a reporter called him on his cell phone and gave him directions.
