## Mark Your Calendars

The Month of April has been designated as National Sexual Assault Awareness Month. Many programs nationwide have been planned in an effort to raise awareness and educate the public of the many services for victims. "Take Back The Night" is a march and rally held in conjunction with Sexual Assault Awareness Month. The focus is to raise awareness and to protect against domestic violence and sexual assault. This year, on April 25, Women Today, a student organization at Behrend, will organize the "Take Back The Night" rally and march in downtown Erie, beginning at Perry Square. Sponsorship from local businesses is needed for the success of this event. If you have any questions or suggestions call x7450 or x7162.
