

Enriquez's first year was a smash hit

by Jeanine Noce
assistant sports editor

Ramon Enriquez's, in just his first year on Behrend's tennis team, managed to win the third doubles all conference tournament this past weekend with partner Bill Weisberg. The team was able to achieve their goals.

Enriquez and his other 11 teammates competed in the AMCC tournament, held at the Pennbriar athletic club. Enriquez and Weisberg were able to achieve four points in their match against Frostburg State and claimed the title.

"My will to win is the aspect that I brought to the team," said Enriquez. He has only played tennis for two years - in first and second singles during his senior year in high school on the varsity tennis team. Enriquez played No.3 doubles and No.6 singles on the varsity team.

"My forehand and also when my serve was on were my two strengths," said Enriquez. He gained these two strengths throughout the season and by practicing. The team conditioned before the beginning of the season and also practiced every Tuesday and Thursday from 7:30 p.m. until 9:30 p.m.

"Classes are not that demanding this year, due to it being my senior year. I found that being involved in both was not an obstacle," said Enriquez. He is also a member of OLAS (Organization of Latino American Students), for which he held the

PHOTO BY JEFF MILLER

position of vice president during his junior year.

"All of the guys on the team are very nice and we all have had a good time throughout the season. Joining the team was a way to meet people at a different level than school," said Enriquez. He wanted to join the team last year, however, he was unable to. He believes Coach Jeff

Barger and Assistant Coach Becky Snyder were both extremely helpful in teaching him the tactics of the game.

"My doubles goal for this season was to win it all and that was accomplished. My other goals was to win it all in the singles tournament, but I came up short," said Enriquez. His favorite experience was completing his doubles goal this past

weekend at the tournament. Enriquez also lost his first singles match this year at the tournament. He stated that he also enjoyed competing at Altoona during the season and the trip with his teammates was fun.

Barger was pleased with Enriquez's play. "Enriquez was a first team all conference third doubles player and was undefeated in the AMCC regular season and he also had a winning record in third singles and third doubles. This was his first year and he came out as a senior. Overall, he did a good job, played hard, was reliable, was a good asset to the team and he worked hard at practice," said Barger.

Enriquez came to Behrend from Philadelphia, where he played varsity tennis at Thomas A. Edison High School. He was born in the United States; after he was three weeks old, his family moved back to San Juan, Puerto Rico to live. His family then moved back to the United States when he was 11 years old. Due to his relocating, Enriquez is 100 percent bilingual. He is majoring in operations management and minoring in MIS (Management Information Systems).

"For the future, I need to work on my techniques with my serving consistency," said Enriquez. With serving as his only area needing work. Enriquez had an impressive year. Not only was he able to win the third doubles during his first year of playing tennis at the collegiate level, he was also named "Athlete of the Week."
