

Get your meetings, activities, announcements, etc. on our Calendar of Events Page!

The *Beacon* is more than happy to print all the goings-on of the Behrend community. However, it is the **responsibility of the community** to get the information to the newspaper; not the other way around.

With dozens of groups on campus it is not feasible for the Calendar Page editor to track down every event occurring on campus. **To ensure your event is included**, please send the information to the *Beacon*. Include if the event will be recurring, as in a weekly or monthly meeting. Also, send in your information as early as possible. While you can never contact the *Beacon* too early, you can be too late.

The Student Government Association funds the Calendar Page for the Behrend community; otherwise, campus organizations would have to pay advertising fees to get their info in the newspaper. All organizations, clubs, groups, offices, departments, schools, etc. have access to this page.

How to get your Calendar info in the paper:

- ~ All submissions must be received by **Monday at 5 p.m.** for publication in that week's issue
- ~ Send submissions to the attention of the Calendar of Events Page
- ~ E-mail behrcoll3@aol.com
- ~ Put info in **campus mailbox, bottom floor, Reed Union Building**, near e-mail kiosk and next to restrooms
- ~ Give us a call at **898-6488**
- ~ While you should include all possible information, **submissions may be edited due to space constraints**; please contact the *Beacon* for special requests
