BEHREND BRIEFS

Computer lab accessible 24/7

The Nick 156 computer lab is now open 24 hours a day, seven days a week. The lab is open to all students, faculty, and staff.

Nick 156 can be accessed after normal Computer Center hours by utilizing the ID card swipe station located outside the lab. Enter the Nick Building through the front doors of the Engineering Complex (an ID card will also be required here).

Generally, ID card access will be required Monday through Thursday, midnight to 7:30 a.m. and on weekends from Friday at 6 p.m. to 7:30 a.m. Monday.

Contact the Computer Center help desk at x6415 or at bditHELP@psu.edu.

Personal counseling available for students

The Personal Counseling Office offers free and confidential counseling for the Behrend community.

Emotional and physical adjustments usually occur during the college years, including changes in thinking, mood, or behavior. These changes can lead to depression, anxiety, relationship problems, homesickness, addiction, etc., if not handled properly.

The Personal Counseling Office offers various opportunities for students to gain help in dealing with college adjustments. These opportunities include October depression screenings, "Lunch and Learn" sessions, and personal growth groups.

FOCAL POINT

THEY'LL LET ANYONE ATTEND BEHREND!

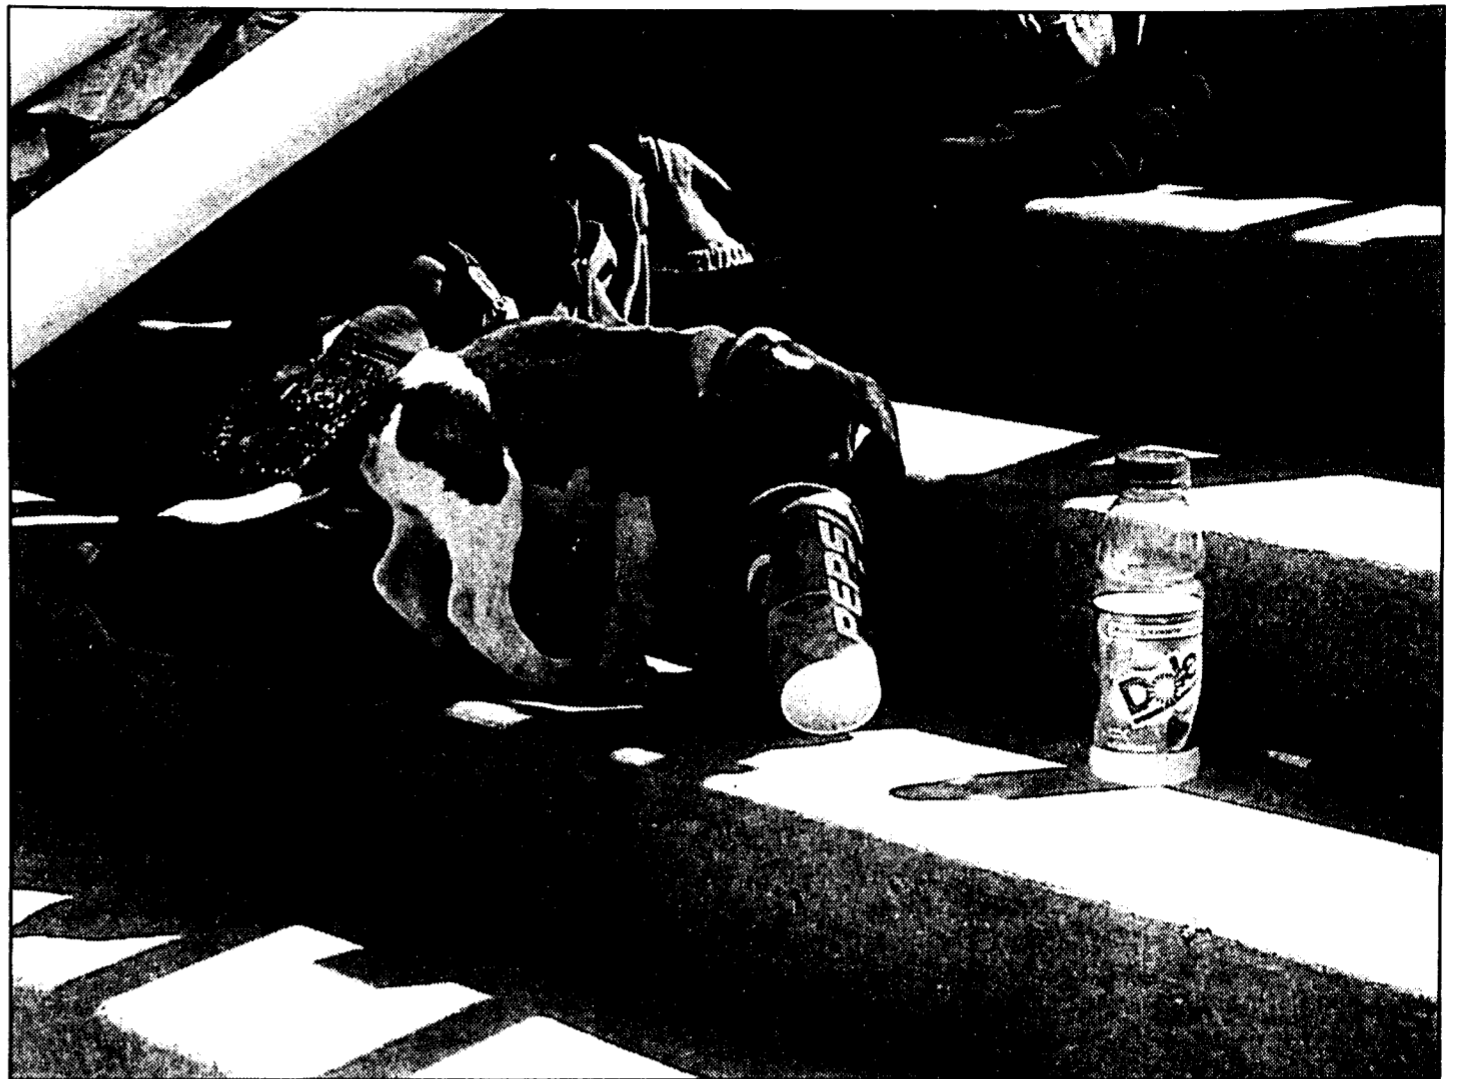

PHOTO BY ROB WYNNIE

Who let the dogs out? Now don't get us wrong, the little guy is way cute. And we understand making the transition from high school to college is hard. And yes, it does help to have familiar things from home around you. But really, you have to draw the line somewhere. Pretty soon we will see students carrying around ratty old baby blankets in Linus-esque style. Good grief!

VIZUALIZE STRATFORD

"The opportunities for involvement are much greater here than at University Park," said Blasko. "The staff here does real research, and the administration supports it. We have a nice combination of good students, good resources, and the chance to do research directly with faculty."

Indeed, the administration has welded concepts of faculty interaction and advantageous student circumstance to create a valuable interface for Behrend students. Yet, the opportunities remain underutilized by the majority of the student body.

"Instead of waiting in line for a sandwich," begins Blasko's analogy. "there's a whole smorgasbord available. But we're not going to stuff it down your throat. You have to ask for it."

Students will meet in the Reed Parking Lot at 7:15 a.m. to load the buses and departure will be at 7:30 a.m. The buses will return to the Reed Parking Lot at about 11:30 p.m. that evening.

The Shakespeare Festival trip is sponsored by the Round Table Society and the School of Humanities and Social Sciences, and supported by the Student Activity Fee. The cost of the trip, being partially funded by SAF, will be about \$60, which includes ticket and transportation to and from Stratford. Students are asked to bring their own money for meals and appropriate photo identification for crossing the border.

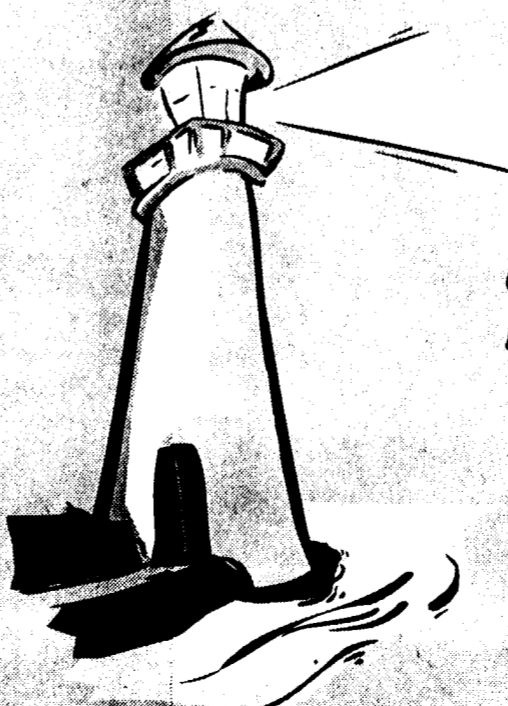

A yellow interest form and a deposit of \$35 (check or cash) are due by Wednesday, September 19, or as soon as possible to either Dr. Baldwin or Dr. Morris. Seats on the bus via Stratford will be given upon payment of the deposit on a first-come, first-served basis. It is recommended that the deposit be turned in as soon as possible in order to ensure transportation and a reservation for one of the performances.

Yellow forms can also be picked up at the H&SS office. For further information, contact the H&SS office at x6108, Dr. Baldwin at x6214, or Dr. Morris at x6205.
