#### "The Pizza Shop"

Not long ago, I went to a local pizza shop. I called in advance to expedite my order, planning on getting my pizza carryout. Upon arriving, I noticed how odd the young men behind the counter looked. They both had long hair and looked at me funny, almost as if they were paranoid.

I received my pizza and looked in the box to make sure the toppings were correct. To my utter dismay, I saw the pizza was not what I had ordered. Instead of my usual pepperoni topping, I saw my pizza was topped with pepperoni and bits of marijuana.

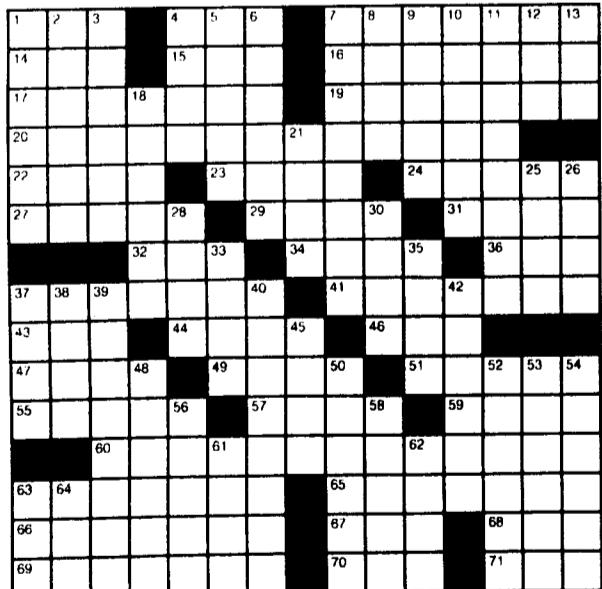

"Hey," I said. "You put weed on my pizza."

The young man waiting on me turned to his co-worker and plainly stated, "Dude, you're smoking the oregano."

I didn't know whether to smoke or eat my pizza.
