BEHREND BRIEFS

Commencement Dec. 15

More than 200 students and their families are expected at Behrend's fall 2001 commencement, which will occur on Dec. 15, at noon in the Junker Center. A reception will follow in the McGarvey Commons. Associate Professor of MIS Dr. Ido Millet will give the address. If the weather is uncooperative, the ceremony will be moved to Dec. 16. Those who plan to attend should call Tracy Greene at x7121 by Nov. 28.

Angel Gifts for Kids

Reality Check, Behrend's service organization, is organizing its third Angel Gifts for Kids program. All are encouraged to participate, individually or in groups.

In order to contribute, send your name, address, phone number, and how many children you want to sponsor to Student Activities. You will receive a letter containing the name, age, and clothing size of the child(ren) you will be sponsoring. Each child's gift list will range between \$20 and \$40.

The gifts must be returned wrapped to the Office of Student Activities by Nov. 29. For more information, call Nicole Cipriani at x2475 or Student Activities at x6171.

First Winter Olympics held

SGA will hold its first Winter Olympics on Jan. 18 and 19 and is seeking participants. Organizations are encouraged to put forth teams of five students to represent them in the games, which will benefit the Four Diamond's Foundation, a group that raises money for children with cancer.

Participants can register, at no cost, Dec. 3-7 from 11 a.m. to 2 p.m. All who register will receive a free long-sleeved T-shirt. Questions should be directed to Kristin Grudowski, 868-1055 or kmg222@psu.edu, or Jason Snyder, 824-5715 or jps232@psu.edu.

Women in Communications

On Nov. 29, Behrend's newly formed Association for Women in Communications will present a panel discussion in the Smith Chapel. The event, which begins at 7 p.m., will feature a panel of several men and women in communications who will answer questions about the field. For more information, contact Sarah Orr at seo112@psu.edu.

Elaine Parke to speak

On Nov. 27, author Elaine Park will speak, courtesy of the Behrend Bookstore and "Lake Effect," Behrend's literary magazine. The 6 p.m. presentation, which is free to the public, will take place in Reed 117.

Parke, who wrote the acclaimed "Join the Golden Rule Revolution," won the Pennsylvania Health Department's Violence Free Youth Challenge contest and the Pennsylvania State Violence-Free Youth Governor's Award for her curriculum. Her Caring Habit of the Month program incorporated slogans, banners, and posters to encourage friendliness. The result was decreased violence and increased homework completion.

Parke's articles have recently appeared in publications of the National Association of School Psychologists, the Education Digest, and the National Association of Secondary School Principals. Although she says her ideas are not new, she hopes they will help to create a revolution in caring.

'Lake Effect' book fair

"Lake Effect," Behrend's literary magazine, will sponsor its first book fair on Nov. 28. The sale, which will be held in the Behrend Bookstore from 8 a.m. to 7 p.m., will include discount books from a variety of genres, including cookbooks, children's books, fiction, nonfiction, and gift books. Copies of last year's "Lake Effect" will also be sold, and 20 percent of the sale's proceeds will go to the literary magazine.

For additional information, contact Ronald Vandenberg at r1v123@psu.edu.

Barnard runner-up in contest

Music lecturer Dr. Daniel Barnard received word that his composition "Three Short Choral Works on Texts by e. e. cummings" was runner-up in the 2001 Virginia Chorale Composition Contest. The Chorale is considering incorporating the work into next year's program.

POLICE AND SAFETY REPORT

11/09/01	17:10	A complainant reported someone had hit his vehicle while it was parked on campus Nov. 8.
11/11/01	17:24	A complainant reported his truck had been damaged during the past week while it was parked in the North Apartment lot.
11/13/01	11:10	A complainant reported damage done to her vehicle from the car parked facing hers.
11/13/01	12:25	A complainant reported his car was vandalized within the past few days while it was parked in the K Lot.
11/14/01	19:30	A complainant reported a license plate from one of the University fleet vehicles was missing.

FOCAL POINT

NEW BASKETBALL MOVIE

PHOTO BY KRISTIN RODGERS

Well, at least the men's basketball team has some time to perfect its new techniques. This looks kinda like the V formation the Mighty Ducks used in the movie; maybe the guys just form a line down the court, and pass the ball from one side to the other. Probably confuses the opponents.

The Sigma Delta Alumni Association
of Tau Kappa Epsilon
would like to congratulate and welcome the
Alpha Gamma Class:

Brad Morgan
Cody Craker
Michael Divito
Christopher Graham
Timothy Stafford
Matthew Martone
Drew Ciccarelli
Ryan Riviello

Congratulations and good luck.

Celica— The Inside Story

On the outside, it's easy to see that Celica is race-track inspired. But the real excitement is on the inside...under the hood. Take the Celica GT-S...Toyota worked with Yamaha to build a 180 HP engine redlined at 7800 RPM...equipped it with Variable Valve Timing with intelligence...a computer that constantly monitors and retunes your engine for maximum performance...a cam with two sets of lobes to provide two ranges of valve lift and duration for more usable horsepower. There's direct ignition for greater reliability...iridium-tipped spark plugs for reduced maintenance...a stainless steel exhaust manifold...a water-cooled oil cooler. And mated with Toyota's 4-speed electronically-controlled automatic "Sportshift", you get transmission shift switches on the steering wheel...just like Formula 1 race cars. Sweet.

www.gettoyota.com

Driving a new Toyota is easier than ever —

because now your Toyota dealer has a special college graduate financing program available thru Toyota Financial Services that offers a lot of great advantages.

So if you're within 4 months of graduation... or if you graduated within the past two years...See your Toyota dealer for details.
