The New Semester is Almost Here!

Please help us by notifying us of any changes in times or new events you will be holding.

The *Beacon* is more than happy to print all the goings-on of the Behrend community. However, it is the responsibility of the community to get the information to the newspaper; not the other way around.

With dozens of groups on campus it is not feasible for the Calendar Page editor to track down every event occurring on campus. To ensure your event is included, please send the information to the *Beacon*. Include if the event will be recurring, as in a weekly or monthly meeting. Also, send in your information as early as possible. While you can never contact the *Beacon* too early, you can be too late. Notify us at Behrcoll3@aol.com or at 898-6488. Or, stop down and see us in our corner of the Reed Union Building, or, for your last resort, drop off a flyer or notice in the *Beacon* mailbox between the kiosk and restrooms in Reed.

Thank you, and have a great break! We're looking forward to hearing from you next semester!
