In a BUDPOT building not so long ago, a baby newspaper was found next to the Behrend Beacon box, and then, in one short, sweet semester, the BUDPOT (Behrend Underground Dispatch Post Observer Times) grew up to accomplish...well, we don't really know, but it was pretty damn funny. We weren't going to let the men behind the 'pot get away without one last interview.

B.K. A wise man once said "graduating college in four years is like leaving a party at 10:30." How long has the BUDPOT staff been in school, and how much longer do they plan on staying in school?

Crafty Barnardo: This was my seventh semester at Behrend, although that's not my official standing. I'm transferring to Robert Morris in the spring, where I'll probably have to go three semesters before graduating.
Miguel Sanchez: Forever! One more semester.

B.K. Was all of the money you spent to publish the BUDPOT worth it?

Miguel: Nope.

B.K. Did you get any compliments from professors, or just complaints of "juvenile humor" and "wasted talent"?

Crafty: I had one teacher tell me she liked it, but that's about it...

B.K. How many hours a week went into producing the BUDPOT?

Miguel: Between writing the paper, getting it printed, distributing, folding, updating the website, etc. - probably 20-25 hours combined.

B.K. How many cases of beer and bottles of liquor went into producing the BUDPOT every week?

Miguel: A sh**load
Crafty: We drank a sh**load before BUDPOT ever existed, though...

B.K. Has being a writer for a semi-famous underground newspaper helped anyone on the BUDPOT staff pull any tail?

Crafty: What is this "tail" you speak of?
Miguel: We found a cat outside... does that count?

B.K. As far as "bang for the buck" is concerned, what type of alcohol does the BUDPOT staff prefer?

Miguel: Cheap white zinfandel
Crafty: I'm more of a gin person... as far as beer, I'd go with MGD or Molson Export

B.K. Is having two marijuana references contained within the name "BUDPOT" a coincidence or is it somehow intentional?

Crafty Barnardo
Miguel: Define "intentional"...

B.K. What is the best way to scam a drink off a 35-year-old woman at the bar?

Crafty: Chicks having their 35th birthday at the Plymouth love Miguel for some reason...
Miguel: I only kissed that one... but she didn't even buy me a drink!

B.K. Would you rather fight Mike Tyson or jump off a 300 ft high bridge?

Miguel: Well, the 300 ft fall would take longer than a Tyson fight, do the math.
Crafty: I'd bite Tyson's ear off!

B.K. Does the BUDPOT staff have an official "hangover cure," or does it favor the traditional Bloody Mary?

Crafty: We continue to be avid supporters of MGD... Morning Relief, combined with a #2 meal at BK.

B.K. How much fun is a barrel of monkeys?

Miguel: Not very fun at all, until you get them loaded.
Crafty: Once that happens, the true amount of fun... and possibly be put into words.

B.K. Was Harvard's National Lampoon the inspiration to start the BUDPOT, or did you guys just think the BEACON sucked?

Miguel: We were basically inspired by some thing from The Onion on Conan one night.
Crafty: On a side note, we actually got some positive feedback from National Lampoon.

B.K. Which Baldwin brother would win if they all got into a fight, Royal Rumble style?

Crafty: Haven't you seen "The Usual Suspects" - Stephen is harsh!
Miguel: Yeah, we met McManus in Montreal!

B.K. If you could only listen to one song for the rest of your life, what would it be?

Miguel: "The Song That Never Ends, do I have to live?"
Crafty: Probably "The End of the Tour" by The Smokey Be Giants

B.K. What is one thing that Behrend could do to become more attractive to potential students?

Crafty: Get rid of the Lawrence Hall [just kidding] that they away BUDPOT all semester.
Miguel: Relocate.

B.K. What is a marmot, and where is its natural habitat?

Miguel: I don't know, what kind of question is that?
Crafty: I think I have one living in my spleen.

B.K. If you got to punch one celebrity in the face, who would it be?

Crafty: I love Owen Wilson, but I'd like to see him straighten his nose out.
Miguel: Steven Seagal... I'd like to see if he really knows

B.K. What do you think of the freshman this year?

Crafty: I don't think I know any.
Miguel: I think they're legal.

B.K. Which cartoon cereal personality scares you the most, and why?

Crafty: I was once sodomized by Count Chocula. I can't say it was an altogether bad experience, though.

B.K. What is the stupidest thing a girl has said to you?

Miguel: "Do you want to have sex?" (of course!)
Crafty: When I worked at Sheetz a girl asked me how to get to I-79 East and then got mad at me when I told her it doesn't exist.

B.K. What is the stupidest thing a girl has said to you after sex?

Crafty: I'm gonna have to plead the fifth.
Miguel: "Do you want to do it again?" (of course!!!!)

B.K. Who do you think would win in a fight, Gary Coleman or Webster?

Miguel: The one who showed up.
Crafty: Gary Coleman's undefeatable, but Webster is the underdog Advantage Webster.

B.K. If you were a star in adult movies, what would your name be?

Lars McButter
Miguel: Dick McButter (related to Lars)

Santa is Cool

We all love Santa Claus. After all, he crawls down our chimneys and brings us gifts such as jewelry, Chia Pets and toe socks. Now, I don't know about you, but I want Santa to continue this trend, because I like free presents.

First off, Santa is the only obese man that's welcome to sneak into my parent's house and eat our food. So why are we feeding him treats like cookies and tarts? Do we want him to have a heart attack? I sure don't! He's already a big guy with high cholesterol, so one should feed him celery and perhaps some Low-Fat Fig Newtons, if anything.

Let's treat Santa Claus better. After all, who else would hire a bunch of midgets to make our presents? I sure wouldn't! I'd be all about the Hooters girls...ho ho ho.
