Swim teams endure 'boot camp' before match against Alfred

'We are going to have to fight for every point.' -- coach Josh Heynes, concerning the rest of the season

Freshman Joe Deely practices on Wednesday for Behrend's match with Alfred on Saturday at the Junker Center. The Lions are scheduled to participate in seven matches in the next month.

Sophomore Holly Stash enjoys a swim during the same practice. The Lions returned to school several days before classes started to get in as much swimming time as possible. The Lions hope the extra workouts will pay off in the end.

The 2001-2002 holiday season is now over, and it is back to school and practice for the swim teams. The men and women dove in headfirst Jan. 5 to begin a week-long training camp here at Penn State Behrend. Normally, the teams would travel to Florida or Texas, but unforeseen circumstances prevented Behrend from going this year. Luckily, the weather in those out-of-state areas was worse than here in Erie.

Behrend made the most out of its training, having one high-intensity water workout and serious dryland and lifting routines. The players performed these exercises twice a day for three hours.

"Yes, they are sore and tired," said head coach Josh Heynes. "But, it will all pay off come conference time." Which, by the way, is in just six short weeks.

"We are just training right through the meet on Jan. 12. It has been awhile since we raced so this meet should be interesting. We need to get the cobwebs out," said Heynes.

Their competitor, Division III school Alfred University, is a difficult opponent. The meet is at Behrend (1 p.m.) and Heynes hopes the home crowd will come and make

some noise to help intimidate the opposition. The swimmers to watch are Sam Cibula, Casey Doody, Lucas Dushac, Justin Lucas, and Christine Williams.

"Some are real close [to ECAC qualifying times], but it will come down to conference, and when we rest and shave down, to see what times we can achieve," said Heynes.

"The remainder of the season is going to be hard with meet after meet after meet. Having lots of meets [is] good in a way because of the good training we will receive. However, the schools we swim against are tough, and we are going to have to fight for every point."
