# Swim teams breaking records faster than they set them

by Kate Levdansky Petrikis assistant sports editor

The Behrend men's and women's swim teams raced against Mt. Union and Grove City on Jan. 18. The men tied Mt. Union at 54 points each, but fell to Grove City 63-45. The women also competed in a tough race, but lost to Mt. Union 110-75.

However, most swimmers came away with personal best times in their respective events. Justin Lucas set a new team record in the 1000 free with a time of 10:32.68. On the women's side, Christine Williams set a new team record

in the 100 backstroke with a time of 1:04.64. and also set another new team in the 200 IM with a time of 2:25.90. Teammate Samantha Cibula also set a new team record, the 1000 free, with a time of 12:15.86. Even though the Lady Lions lost, they swam outstanding

"It is great to see the improvements still coming even though we are in the toughest training part of the season," said coach Josh Heynes. "It says a lot about what we are doing both in and out of the pool."

Behrend also competed against Edinboro the following day and lost on both the men's

and women's side. The men lost 107-84, and the women lost 109-69.

It was another tough meet for Behrend, especially since it was the second meet in two days against local Division II rival Edinboro. Again, many personal best times were set for the team.

"We swam some people in different events to see what they could do for us," said Heynes. Williams set another new team record, this time in the 200 free with a time of 2:07.97. Teammate Tara Braden set the record in the 100 breaststroke with a time of 1:15.16.

"The team swam exceptionally well. I can tell we will be ready for conference if everything stays the course," said Heynes.

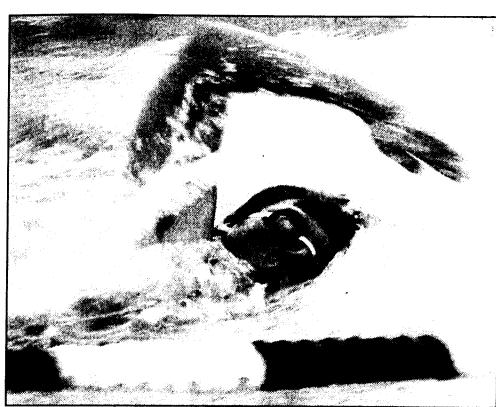

Saturday's meet against Frostburg will be difficult. Frostburg is Behrend's AMCC rival, and swims very fast with a large team.

"I am just interested to see what they have to bring to the table. It will help me decide what to put my team in at conference," said Heynes. "To beat them, it would take a miracle, given they were last year's AMCC classic champs. However, we are going to treat this just like any other weekend: swim tough, swim fast, and see what happens. All our swimmers will have to be key this weekend. Points are points, even if it is one or nine, it makes a difference."

Upcoming competition includes Washington & Jefferson, Nazareth, and Penn State Altoona. W & J has a very big team and a winning tradition. Nazareth will be a new competitor for Behrend and should prove to be interesting. Behrend's last home meet before the conference, against Penn State Altoona, should be the final walk through to give the coaches an idea on where the team stands before it starts resting the swimmers.

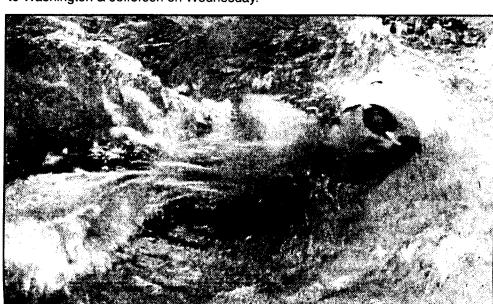

"Our eyes are always and forever will be set on getting people qualified to the next level," said Heynes. "Swimming is more of an individual sport than a team, when it comes to that. Once one or two people make it, then it seems like the next year more and more join in. We have a very good shot at getting some people to ECAC and Division III NCAAs.

"In two weeks all the training will be done, and it will be up to them on what happens the two weeks prior to conference. Will they rest? Will they not get sick? Will they get their work done? All the small things will affect them

Freshman Joe Deely, above, completes a lap at the Junker Center pool on Tuesday while freshman Jana Bahnak, below, swims during the same practice. The Lions had to train extra hard before their back-to-back matches last Friday and Saturday. Behrend will host Frostburg on Saturday at 2 p.m. before heading down to Washington & Jefferson on Wednesday.

either negatively or positively. They have to get in a mindset of not letting any stress affect their performance. It really is up to them; if they want to go fast they will. They have

put the time in, and the yardage. It is that they have to believe in it, and they will succeed! As the saying goes 'the time will tell.'"
