Worst ideas ever

America has come up with some great inventions. Columbus invented America, Ben Franklin invented lightning, Thomas Edison the telephone. Foosball, three-way dildos, and nose candy were three other things that changed the American landscape forever.

1. Non alcoholic beer

Have you ever tipped back some suds and said to yourself, "This beer is great, but I wish it didn't have alcohol in it." NOOO. No God-fearing American would say something like that.

I would love to see how many cases of Coors Cutter have been sold in America in the past year. I would snicker. I know its purpose is to help alcoholics recover, but this swill tastes nothing like beer.

The only real reason I can see for it is to give 12 year old kids the thrill of drinking something that is like beer. I remember when I was 12, sipping on O'Douls and thinking I was king of the world.

2. The Golden Girls

Never mind the fact that I know all the words to the theme song. "Thank You For Being A Friend" is a catchy tune. I cannot believe that this show was on the air for so long and still runs in syndication.

I like how Blanche is considered the "whore" of the group, always talking about her numerous escapades with men. That would be like someone's grandma going out and trying to get laid every night, but for some reason people think it's funny and amusing.

Now I never had a problem with the show before that. I liked it when I was a little kid, before I realized how vomit inducing it is to hear old women talk about sex.

3. Tests

Sometimes, when I'm studying for tests, I get bored. My eyes get tired and I start to fall asleep. Tests really suck. I don't like taking them either, they suck.

4. Metric System

I don't know much about the metric system, and I plan on it staying that way. All I know is to get into Super Delta Five you have to drink a gallon of beer out of a milk jug.

Aldi's product review

Mike Butala

This week's Aldi's Product review is Maraschino Cherries. I'm not gonna lie to you, these aren't from Aldi's, they are from Giant Eagle, but I need to express a point about these angel-sent treasures.

only 21-year old "boy" at this campus. The texture of the cherries made it seem they were fairly easy to cut, so I decided to ask around. Luckily, earlier that day I encountered Gutman's Special Knife.

Jimmy Z's BAR QUESTION OF THE WEEK

Who is the sexiest cartoon character and why?

Grand Prize Winner\*: Groundskeeper Willie

Submitted by: Mandi Grolemond

Political Science/Marketing 004

What is sexy? If it's a foreign accent, a body you could bounce quarters off of, a sense of humor, dedication, and a good full-time job, then the sexiest male cartoon character in the universe is undeniably GROUNDSKEEPER WILLIE of "The Simpsons."

wearin', croquet-playin' buttercup", which shows that even this hard-body has a funny side. Sure, he may live in a shack behind the school and he has no friends, but hey, you can't win 'em all.

THE SEXIEST THING WILLIE EVER DID: In one episode, Willie stripped down to short-shorts and greased himself head-to-toe with Crisco so that he could slide through the vents in the ceiling.

Second Place Winner\*\*: Jessica Rabbit Submitted by: Matt Sudak

PLET class of '02

HANDS DOWN Jessica Rabbit. I mean, didn't you see the rack on her? And you KNOW you have a shot if she'd go for a rabbit and an old guy.

Third Place Winner\*\*\*: Shaggy Submitted by: Leha Smith

ELISH 08

If I had to add another two dimensional man to my life, it would be Shaggy from Scooby Doo. Primarily because he reminds me of that sexy bitch Ben Kundman.

\*Mandi will receive a free Fat Chik Sandwich from Jimmy Z's \*\* Sudak will receive a free Fat Boy Sandwich from Jimmy Z's \*\*\*Leha will receive a free side order of fries

Look here next week for another Jimmy Z's Bar Question of the Week and another chance to win!

A little bird told me...

Supermarkets always use someone old enough to vividly recall the signing of the Magna Carter as the check-out person in the express line.

Satan receives a makeover

of young impressionable minds. Matters were not helped earlier this year when several SSA members were thwarted while attempting to rob a local Magic Card store by several trenchcoat-wearing Samaritans.

In an effort to attract new membership, the Satanic Students of America, or SSA, will begin hosting ice cream socials in the Reed Union Building beginning this April.

[Sinister Laugh] Well, those who don't have a personal relationship with the Great One tend to misunderstand our intentions. We are simply an organization that offers an alternative to traditional worship.

So what type of public service do you perform?

"We try to reach out to the younger generations with programs such as Elementary school mentors, readership programs such as Hooked on Phonics, and Little League sponsorships."

You sponsor Hooked on Phonics?

"Oh yes. The Dark Lord doesn't want ignorant minions. Hooked on Phonics is just one way in which Satan can influence the world in a positive light.

Mr. Hancock, you have been accused by some of being in cahoots with Satan, intending to convert peace-loving young adults into minions of darkness. Is this true?

Perhaps "Lucifer" prefers a celibate life to one of sinful relations.

"Sure fruitcake. It's not like he's a TKE or anything like that."

Ouch. So can you tell me about these ice cream socials you will be hosting?

"Sure. Basically, it's a chance for the public to come and meet our membership and see the works the SSA has been performing in the community.

Sounds kind of wild.

"Are you mocking me?"

No

"I will kill you!"

At this point Mr. Hancock decided to end the interview, but in a statement faxed to my secretary, reiterated his interest in the preservation of Mankind through worship of Satan.

Dirty Teddy's Malt Liquor Boozehound of the Week

J. Daniels

J.D. stayed up late one Monday night studying for an extremely difficult Computational chaotic fluid analysis test he had early the next morning.

J.D. was sitting in his car in the midst of the phone interview when the dreaded feeling of nausea hit his stomach like dookie hitting a fan - he yacked all over the side of his car.

After all of this, he went to his senior design meeting where he promptly vomited in front of a classroom of fellow students, as well as his advisor.

Dirty Teddy and The Behrend Beacon encourage students to drink responsibly. Boozehound of the Week was created to show what can happen when one consumes too much alcohol and makes a complete jack-ass out of him or herself.
